# SLEIGHT OF HAND

George W. Bush reminds me of a stage magician. A good magician will use sleight of hand and distraction to mislead the observer. For the last four years Bush has been doing pretty much the same thing. Take the tax cut, as one example: For most people in the middle class, it amounted to somewhere between a $300 and $600 rebate. Okay, you might say that certainly can help the family budget. However, because the tax cut resulted in less money to the federal government, there was also correspondingly less money from the federal government coming back to the states. Thus, most Americans have found that their property taxes and school taxes have increased while their public services—hospital emergency rooms, fire department and police—have been cut. In effect, the money was taken from your left pocket to be placed in your right pocket. No net gain, and in some cases, perhaps even a net loss.

It's the same thing with our so-called economic recovery. Lately, Bush has been pointing to a robust stock market as proof that the nation is once again on the right economic track. Yet working-class people, laid off when the stock market collapsed around 2000, are not being rehired. It's called a jobless recovery. And when the giant corporations finally do start hiring again, who is to say those jobs will go to Americans? World Trade Organization rules and regulations have made it far more likely they'll go to a Third World country, where the corporations will pay hourly rates to their employees that can be measured in pennies. So once again, the master magician has us looking in the wrong direction.

There are other examples of Bush's skills at misdirection: WMD, the Clear Skies Initiative and the PATRIOT Act, to name a few. Most of us don't believe in magic. Now maybe it's time to stop believing in Bush.

## Chips Are Down

Regarding the March issue's *Asshole of the Month, Sherman Austin: Another Victim of the War on Terror* and *Chipping Away at Your Privacy*, I must congratulate HUSTLER on its diligence to expose these government jerks that would misuse the Constitution, thwart our free speech and destroy our privacy rights. In the Austin case, these government pukes chose a petty and easy case to pursue, instead of putting their efforts toward real terrorist threats. You are directly on the mark about General Gasbag, William Boykin, using his uniform to spew his religious intolerance. And a delusional fuck like that gets a top intelligence job. Scary. The microchips in our consumer goods will make the public more complacent about commercial and government intervention into our lives. Every 18 months these chips get 50% smaller and twice as fast, with twice the memory. The next thing coming will be the Thought Police. It is refreshing to know that someone in the print media has the balls to tell the truth about the limp-dicked jerks trying to destroy our freedoms.

## Burning Bush

To the entire HUSTLER staff: Congrats on a great magazine! I especially love the new political direction. Fuck Bush and Cheney. They're elitist dicks who have severely fucked up this country. I'm sorry, I don't have much sympathy for the troops in the letters section. They were not drafted. They traded an education to, if called upon, carry out the wicked deeds we have all seen. Life ain't fair, and we make our own destinies. I was wondering if you could try to get an interview with Hunter S. Thompson and tell the story of the Marquis de Sade. Additionally, there are a lot of political punk-rock bands who are totally with Larry and his politics, such as Leftover Crack, Against Christ Devil's Children and NOFX.

**—C. S.**
**Hickory, North Carolina**

**The May 1998 HUSTLER contains an interview with the good Dr. Thompson, and hopefully you caught our NOFX article in last month's issue. Call (323) 651-2348 to order back issues. For more on the teachings of de Sade, check out HUSTLER'S TABOO.**

## What a Hoser

I look forward to the advice that Ms. Jeanna Fine gives HUSTLER readers, such as myself, every month. I would like to add to Jeanna's advice on an issue a few months back ("Hoover Jam," January *Dear Slut*). She told a guy to masturbate into a silk handkerchief. I recommend going one step further: Try a pair of silk pantyhose! The feeling is amazing. I've even gone so far as to wrap the pantyhose around a vibrator while jerking off.

## Panting for Pantera

I just wanted to drop a quick note to thank HUSTLER for all the beautiful Honeys. March 2004 covergirl Pantera is sexy as hell (*Pantera: Home Wrecker*). What a fantastic pictorial. I must admit, you guys use some of the greatest photographers. Hats off to Michael Bisco and Laurent Sky. Keep up the good work, Larry and staff.

## The Sun Also Rises

I just received the April 2004 issue, and all I can say is, "Fucking wow!" Cover babe Sunrise (*Sunrise Adams: Speaking Out*) is one of the hottest porn sluts I've seen in recent memory. She has a perfect set of tits, and her nipples are out of this world. I just want to jerk off all over her pouty lips. Thanks for yet another amazing photospread.

**—P. W.**

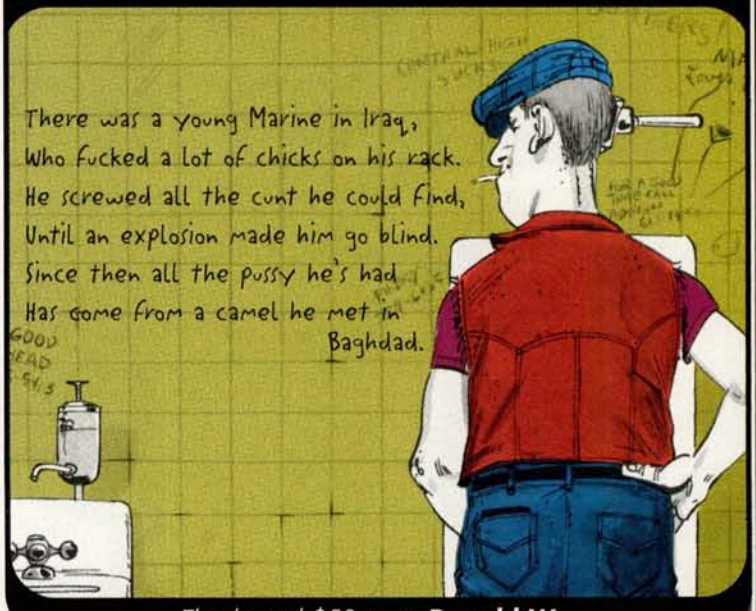
## Seeing Red

I'm still fantasizing about Krystal (*Krystal: Light My Fire*), from the July 2003

## GRAFFILTHY



There was a young Marine in Iraq,
Who fucked a lot of chicks on his rack.
He screwed all the cunt he could find,
Until an explosion made him go blind.
Since then all the pussy he's had
Has come from a camel he met in
Baghdad.

*Thanks and $50 go to* **Donald W.**

HUSTLER with her beautiful face, luscious tits, and her mouth-watering, prick-inflating ass and pussy. I find myself weak just looking at her. I have loved the color red since childhood. I have red shorts, red underwear, red ties, etc. Krystal and I have so much in common it's scary. I would have never believed I'd see a woman this hot with similar interests as myself. Thanks for keeping my sex drive going strong, HUSTLER.

## 'Rhoid Rage

As an avid reader of HUSTLER, I feel compelled to vent my frustration regarding a bad experience I recently had with the magazine. Let me preface this note by saying that HUSTLER is my favorite smut magazine by far. In these difficult economic times, however, I haven't had the cash to purchase the magazine as often as I'd like. I shelled out eight bucks for the June 2003 issue. I normally buy HUSTLER because it has more entertainment value than any other magazine out there. It has the sexiest pictorials, the funniest jokes and satires, and your points of view are dead-on. I was mildly amused by *Bits & Pieces*, but delving further I was really let down. Saucer nipples? Some chick with hemorrhoids? And what's with the Arnold-Schwarzenegger-with-tits section (*Valley of the Amazons*) after the centerfold? I know that you guys are trying to appeal to a broad section of perverts, but does anybody think that stuff is sexy? I've seen some strange fetish magazines in my day, but never *Muscle-Bound Bitches Who Could Kick the Crap Out of Me*. It simply doesn't make for wankworthy material.

**—D. L.**
**via Internet**

**Sorry you were disappointed by the June 2003 issue, D. L., but as they say, different strokes for different folks. Hopefully, you'll enjoy our upcoming photo-feature, *Three-Nippled Midget Chicks With Piles the Size of Your Head.***

## Ass Master

I'm a handsome heterosexual guy who loves your magazine, and I have an idea for a layout. How about a shoot with two women who tie me up and rape me with huge strap-ons? I've been working on a 14-inch long dildo that almost fits all the way up my well-trained ass. It would be an honor to be in HUSTLER. Any amount of penetration is fine with me. I'm sure there are other guys out there with a similar fantasy. I've been training my ass for over 15 years. I even like the taste of my well-fucked ass when it starts to get wet. Please let me know.

# Asshole of the Month

## LESLIE MOONVES

A spineless shit-heel whose lack of backbone has led him to lodge his head up his own rectum, CBS Television President and CEO Leslie Moonves is HUSTLER's June 2004 Asshole of the Month.

Since joining CBS in 1995, Moonves has transformed the Tiffany Network into a cess-pit of sleaze and conflicting interests. His impact on CBS's once-proud news division has been particularly disastrous, as evidenced most recently by CBS's dealings with alleged child molester Michael Jackson.

Late last December, CBS's *60 Minutes* aired an interview with Jackson, in which the singer poohpoohed the charges against him. The segment just happened to coincide with an airing later that week of *Michael Jackson: Number Ones*, a special the network had shelved a month earlier. CBS had claimed that it would be inappropriate to broadcast the special until Jackson's kiddie-diddling case was legally resolved.

Days after the *60 Minutes* segment, the *New York Times* reported that CBS had sweetened Jackson's $5-million licensing fee for *Number Ones* by another mil after Jacko agreed to the *60 Minutes* interview.

The reported transaction whiffs of checkbook journalism, a grave transgression in the news biz. CBS denies the story, which the *Times* adamantly stands behind, but even if Moonves didn't up Jackson's paycheck, why, suddenly, was it okay to run the special? Apparently, a ratings-boosting interview trumps any scruples that Les claims to possess.

There's also the matter of Julie Chen who, aside from coanchoring CBS's *The Early Show*, serves as Moonves's personal cum receptacle. (Les had denied rumors about the romance until his wife, Nancy, filed for divorce in April 2003.) Asked by a reporter how he would prevent the relationship from influencing *The Early Show*'s content, Les assured that he had "worked out a system."

What, exactly, is that system?

"I'm not going to tell you," Moonves smirked in reply.

Now it seems that Moonves has another bedmate: the Republican party. Les cemented his status as a GOP butt-boy when he pulled a miniseries, *The Reagans*, from his network's fall 2003 schedule mere weeks before it was due to air.

"If we're not doing something controversial that makes somebody unhappy, then we're not doing our job," Moonves crowed earlier in the year while announcing the miniseries' production.

That was before a script for *The Reagans* was leaked and conservatives, dismayed that Ronald Reagan might be portrayed in a less than saintly light, threw a fit. Republican National Committee Chairman Ed Gillespie demanded that Moonves run a message at the bottom of the screen, alerting viewers that the drama they were watching contained fictional elements.

Rather than telling Gillespie to stuff it, Moonves caved completely, booting the miniseries to cable outlet Showtime. Amazingly, Les asserted that the protests played no part in his axing the show, adding, in an affront to the public's intelligence, "We are not going to shy away from controversy in the future. We welcome controversy."

It took Moonves all of two months to prove himself a liar, yet again, when he refused to run an ad by MoveOn.org during this February's Super Bowl broadcast. The ad addressed how the Bush budget deficit will affect future generations.

In rejecting the spot, CBS cited a policy against "advocacy advertising," which allegedly prevents advertisers from having an influence on "controversial issues of public importance." In other words, Moonves welcomes controversy, as long as it doesn't lead to an actual meaningful debate.

This rationale might hold water, had the network not run the White House Office of National Drug Control Policy's ridiculous ad equating marijuana use with terrorism during last year's Super Bowl. Once again during this year's game, Moonves gave airtime to another ONDCP *Reefer Madness* inanity.

On Moonves's network, it seems, grass-roots organizations can't buy free speech at any price, but there's always room in Les's date book for right-wing propagandists. And if they like it a little rough, Les isn't above taking a bitch-slap or two.

Moonves puts the "BS" in CBS, but we'd expect nothing more, or Les, from a dung-dribbling Asshole.

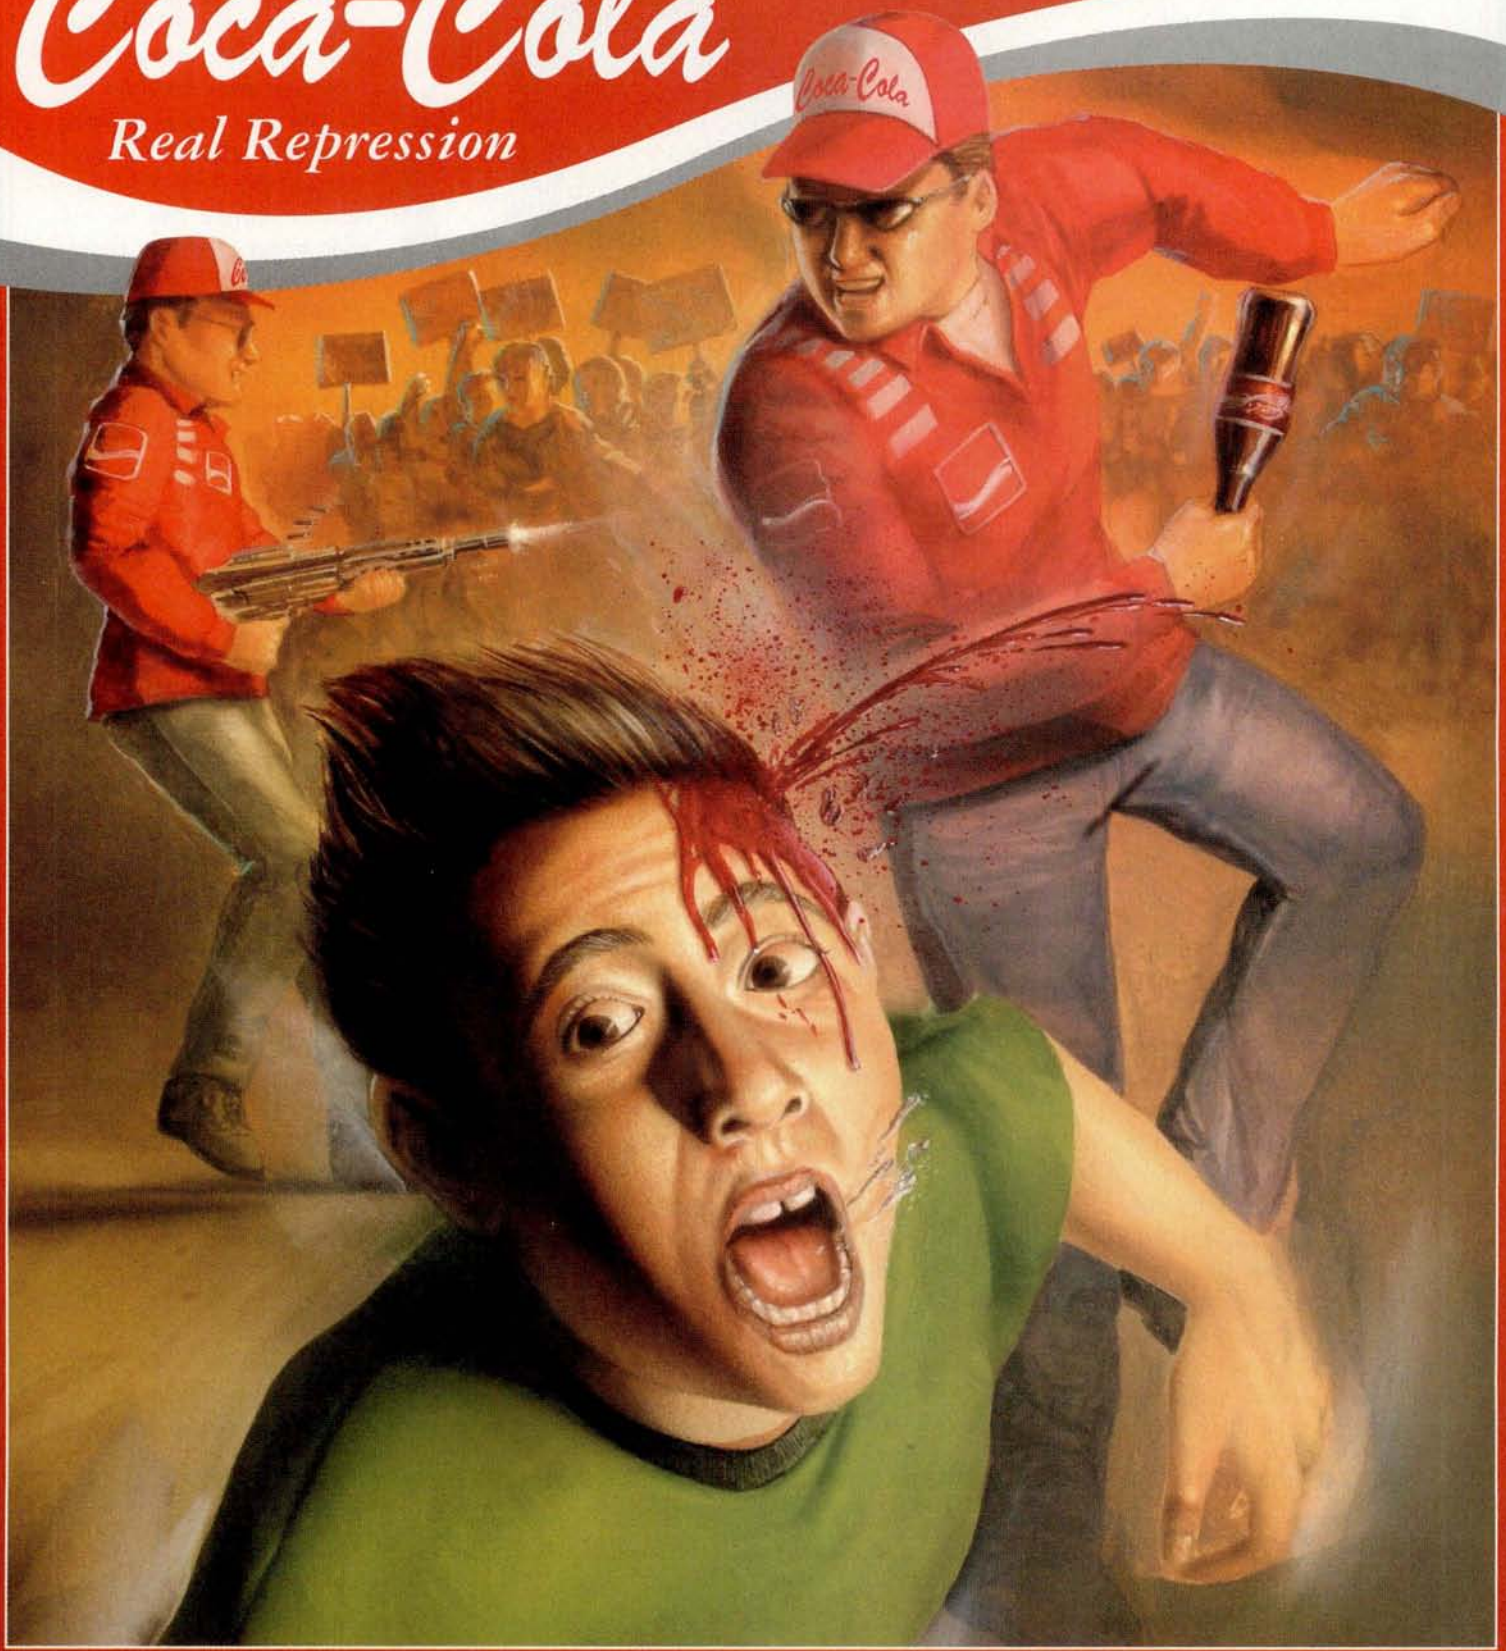
# Farts in the Wind

**Kathy Cox:** Georgia State Schools Superintendent Cox is currently lobbying to have all references to evolution removed from Georgia schools and replaced with the phrase "biological changes over time," in a transparent effort to promote creationism. Kooky Kathy should wake up and smell her own shit. If evolution doesn't exist, how else could this Cox have developed into such an Asshole?

**Michael Powell:** "I am outraged," FCC Chairman Michael Powell fumed about the split-second, long-range flash of Janet Jackson's mammary gland during this year's Super Bowl halftime show. Powell promised a "thorough and swift" investigation into the incident, as opposed to his continued stonewalling over calls to roll back the FCC's recently eased media-consolidation rules. A little tit never hurt anyone; we wish we could say the same about the giant Asshole named Michael Powell.

# Coca-Cola

## *Real Repression*



Nothing beats the refreshing taste of Coca-Cola. Pop open an ice-cold bottle. Let that wonderful feeling take you far away from news reports of paramilitary thugs killing union members on behalf of Coke bottling companies in Colombia. As the world's largest soft-drink company, we can't control our South American business partners' "labor relations" (*wink, wink*). Besides, when a union worker is killed and replaced with a nonunion worker, the savings are passed on to you. Who's going to say no to low prices?

**HUSTLER Parody. Not a real ad. The Colombian paramilitary groups reportedly working with the Panamco and Bebidas bottling companies to violently suppress union organizing have been designated as terrorist organizations by the U.S. State Department. Yet Coke continues to do business with both Panamco and Bebidas. For more information, go to www.KillerCoke.org.**

# Porn 101

Most guys would give their left nut to make a living shooting nude chicks, but you don't have to pull a Tom Green to enter this fine profession. Scott Hunter, the former editor of HUSTLER HOMETOWN GIRLS, has condensed his 12 years of experience into weekend seminars that teach the ins and outs of porn photography. Hunter shows students how to find nude models, pose the girls, light sets and shoot professional-looking porn pics that Web sites and magazines will buy. For those unable to make Scott's nationwide classes, his new book, *Flashing America* and DVD cover the same ground. To learn more about the seminars, DVD and the book, go to **www.ScottHunter.bz** or call **1-818-244-5628**.

# Rut's Happening?

HUSTLER reader L. Z. of Pittsville, Wisconsin, sent us this pic of a horny buck trying to get some booty off a Styrofoam decoy that he'd sprayed with doe scent. And we thought *we* were pathetic with our blow-up dolls.

# Porn From the Past

Thanks and $150 go to J. M. of Springfield, Illinois, for this tricky two-step. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned. HUSTLER is not responsible for lost pictures.

# That's Not for Us!

The already shameful mainstream gossip rag *Us Weekly* further embarrassed itself and caused a scandal after publishing this pic of wannabe supermodel Shandi Sullivan (from UPN's reality series *Top Model*) standing next to a nameless male model who's baring his ball sac. We always thought *Us* was going for the Midwest, overweight housewife readership, but now it appears that they are trying to pull in a gay audience. Note to *Us* editors: Please cancel our subscription, and for heaven's sake, hand that guy a towel!

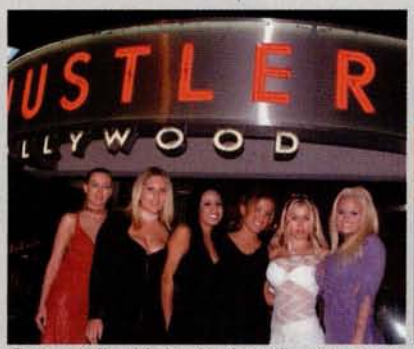
## ★Walk This Way

Just as Tinseltown immortalizes its stars on the Hollywood Walk of Fame, the adult world honors its own a few blocks away on the Porn Walk of Fame, in front of the HUSTLER Hollywood store on the Sunset Strip. Recently our fearless leader, Larry Flynt, was on hand to induct the latest honorees: gentlemen's club pioneer Harry Mohney (owner of Déjá Vu Consulting) and adult-film legend Porsche Lynn. In a moving speech, Larry detailed the huge impact Mohney and Lynn have had on the adult-entertainment industry. Later, several comely ladies stripped down, which had its own huge impact on the attendees' libidos.



Fans and jizz-biz luminaries alike attended the event.

Sunset Thomas breaks into a spontaneous audition for strip-club owner Harry Mohney.

Lynn proudly shows off her HUSTLER Porn Hall of Fame plaque; we don't recommend running with it.

Porsche Lynn presses her hands into wet cement, but Larry appears to be waiting for another body part to take the plunge.

Sunset Thomas and porn star Layla Jade fill the aisle with vertical smiles.

**A Can of Whoop Ass:** Lonnie Grigsby, 52, is facing criminal charges after spanking a 13-year-old girl in his mini-mart in Miami. The store owner says the girl gave him too much money for a bag of chips and he responded, "You can't count?" Grigsby claims the teen then called him several expletives and hurled two nickels at his head; that's when the hotheaded shopkeeper proceeded to warm her buns. Funny; when we want to spank chicks, usually *we're* the ones throwing the money.

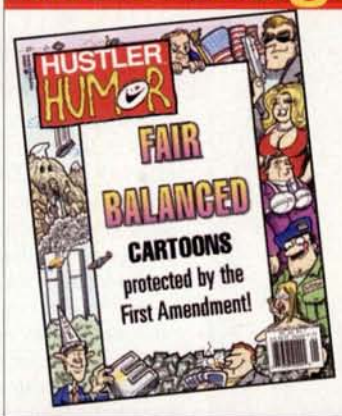
**My Boyfriend the Harasser:** Back in March 2002, Julie Dalton quit her job as chief deputy of the Lee County, Florida, Property Appraiser's office and filed a sexual harassment lawsuit against the county, claiming that her former boss, Ken Wilkinson, used his position to pressure her into having an affair. The Fort Myers, Florida, woman was subsequently paid a financial settlement with taxpayer funds and given a new job. However, on Christmas Eve, the "victim" was spotted dating her ex-boss, a/k/a the sexual harasser. Dalton and Wilkinson have since paid back her settlement.

**Another Priest Gone Wild:** In Daytona Beach, Florida, Stanley Staniszewski, a part-time priest, has been charged for allegedly making obscene phone calls to a 70-year-old woman. The geriatric gal said the calls scared the heck out of her, but 60-year-old Stanley claims his dirty dial-ups were a "joke" and he was "under the influence of medication." Call us jaded, but we don't buy the "medication" excuse; more than likely, there was a shortage of altar boys in the vicinity.

**The Ultimate Self-Abuse:** Police in Alton, Texas, say that Oscar Hernandez became enraged, cut off part of his schlong and then walked over a mile before finding help at a police station. His severed piece of penis was found next to a bloody machete and was rushed to doctors, who reattached little Oscar to big Oscar. Before anyone calls this a "happy ending," keep in mind that Hernandez will now be able to reproduce, ensuring a new generation of total morons.

**Fast-Food Funnies:** Customers using the drive-thru at a Burger King in Troy, Michigan, were repeatedly insulted by hackers who tapped into the wireless frequency of the drive-thru speaker. Police say that when unsuspecting patrons ordered their meals, a voice came on the speaker and said, "You don't need a couple of Whoppers. You are too fat. Pull ahead." The restaurant is reportedly trying to change the frequency of the radio speaker. Good luck; we suspect the technical knowledge at a Burger King starts and ends with the guy who uses the microwave to reheat stone-cold coffee.

## *Mad* Magazine for Adults



Tired of monotonous, lame, nudity-free comic strips like *For Better or Worse* and *Cathy*? Get your fill of adult satire, bawdy cartoons, jokes, comics and parodies in the latest issue of HUSTLER HUMOR. This newest collection of X-rated revelry (pictured at left) includes *I Cream on Jeannie* (a parody of *I Dream of Jeannie*), *Captain Hard-On*, *Big Butt Belinda* and *The Fart Side*, drawn by a talented (if deranged) stable of artists: Dan Collins, Don Lomax, Aaron Warner and Noel Anderson. Pick up a copy of HUSTLER HUMOR and 'toon into what you're missing.

## Sex Education

Who says strippers are just brainless bimbos? This studious gal, Holly Hodge, is a second-year student at the University of Windsor. Her boss, Robert Katzman, who owns strip clubs in Windsor, Canada, and Detroit, has taken out ads in college newspapers offering to pay $1,500 to $2,000 in college costs for girls who work as dancers in his titty bars. The only catch is the chicks have to maintain a B (as in boobs) average. Katzman says 20 of his 200 ecdysiasts are in school studying subjects such as engineering and massage; no doubt the latter will come in handy during private dances.

## Olsen Twins Countdown

**As of April 7, 2004, there are only 67 more days until the Olsen twins become legal!**

## Puppy Love

We love mutts just as much as the next guy, but Humphrey the Humping Dog is one perverted pooch! This mechanical marvel straps onto one's leg (or any other body part) and grinds his groin like there's no tomorrow. As Humphrey picks up speed, he whimpers and cries before finally reaching a satisfied orgasmic sigh; thankfully, the canine doesn't ejaculate, although that may disappoint the bestiality crowd. # CELEBRITY FANTASY

## What would Cameron Diaz look like with a dick in her mouth?

Cameron Diaz is known as the carefree, smiling actress who stars in light fare such as *There's Something About Mary* and the *Charlie's Angels* flicks, but off-camera the former model is apparently a vindictive, ungrateful wretch. She went on a legal rampage when photographer John Rutter's lawyers offered her the chance to buy back topless shots and a video of her taken at age 21, before he put them on the market. We understand that the "angel" ran to the cops. For his trouble, Rutter was charged with one count of attempted extortion and attempted grand theft and perjury, along with two counts of forgery. Rutter ended up going to jail with a whopping $250,000 bail while Diaz vacationed with her latest fling, Justin Timberlake. We don't see what the big deal is. From what we can tell, Diaz's tits are rather paltry; we'd rather see a pic of her sucking cock.

**Disclaimer: No such picture of Cameron Diaz is known to exist, but you can be damn sure if we find one, we will not offer her a chance to buy it back. This is a social commentary on a Hollywood celeb whose chip on her shoulder is considerably larger than the ones on her chest.**

How to Do Nothing and Accomplish Everything
Illustrated by Lawrence Sheaff

## NAP YOUR WAY TO THE TOP

**This Month:** *The Lazy Way to Success: How to Do Nothing and Accomplish Everything* by Fred Gratzon

**What It Is:** This book of career advice comes from a man who claims he has never held a job longer than two months and is one of only five people to have ever been fired from a civil service job. Even so, Gratzon has started two successful enterprises: Great Midwestern Ice Cream and Telegroup, the latter of which grosses more than $400 million in annual sales.

**Why We Care:** Gratzon's chapters are like music to our ears: "In Praise of Laziness," "In Search of Effortlessness," "How to Succeed Without Working" and many more.

**Buzz:** Fred's slothful philosophy flies in the face of America's work ethic, but there is some truth in his lunacy, e.g., "The harder and more demanding the job, the less the pay."

**How to Get It:** *The Lazy Way to Success* is available at local bookstores, by calling **(888) 472-8066** or going to **www.LazyWay.net**.

**Bottom Line:** Learn how hard work could be standing in the way of your success!

## Bottle Rocket

Recently, out of boredom, I shook up an unopened bottle of warm beer, removed the cap and shoved the neck up my lubricated ass for a beer enema. I have to admit it felt very refreshing. I initially tried it with a light beer, but would a heavier lager be more beneficial as a colonic or, perhaps, feel better up my ass?

—T. W.
Philadelphia, Pennsylvania

**If the carbonated fizz fueled your desire, a lager will not work as well. As far as health benefits are concerned, I would say that a bottle of Guinness might be a good way to go. Whichever brew you decide to go with, I would recommend purchasing an enema bag to hang in the shower that you can fill with the liquid of your choice. Shoving things up your ass that aren't intended for that purpose—such as a beer bottle—is an excellent way to earn an embarrassing trip to the emergency room.**

## Panty Raider

I've been raiding my younger stepsister's dirty panties before she gets home from school. I'm 22 and she's 17. I smell the dirty panties, then masturbate all over one of her stuffed animals. Even though she's my stepsister, I'm attracted to her. Is there any proper way to broach the subject to her?

—J. R.
Columbus, Ohio

**There has always been speculation as to whether or not Greg and Marcia were getting hot and heavy on *The Brady Bunch*, but this isn't a TV show. You should consider how this would affect the family dynamic. Hooking up with your stepsister could be a recipe for disaster if you're caught. It's perfectly natural to be attracted to a stepsibling, but I don't think mom and dad would get a big kick out of your desires. You might get thrown out of the house. Having a fantasy is fine, but it's time to stay out of your little sister's laundry hamper.**

## Diseased Damsel

I have been dating my current boyfriend for four weeks, and we haven't had sex yet. I think his eyes are starting to wander. The problem is that I have herpes. Should I tell him, or should I just break down and have sex with him to make sure he'll stay with me?

—S. S.
via Internet

**Do not have unprotected sex with your boyfriend. Relationships should be based on honesty. In a normal situation, no partner needs to know every single past sexual experience, but when it involves a health issue you need to allow your partner the opportunity to make his own decision. There are countless relationships where one partner is infected with an STD such as herpes. I recommend going to an online chat room to discuss how other people in your situation have dealt with this predicament.**

## Blackballed

My wife has a fantasy where three black men break into our home, tie her up and repeatedly shove their cocks in her mouth and ass. I don't feel very comfortable about this notion. Besides, we live in an area that is virtually all white. I really love her; so what should I do?

—C. C.
via Internet

**You could play a game in which you blindfold your wife and have some friends play along. There are also professional escort services that could aid you in your quest to fulfill her fantasy. If you decide to go through with this, do it in a hotel. You should also tell someone you trust where you'll be and when, and ask that person to call at a specific time to make sure there haven't been any unpleasant surprises.**

THE ULTIMATE FUCK

# Give Her A Cum-Drenching She'll Never Forget!

### *Learning "The Ropes". . .*

The letters keep pouring in, written by women of all ages, about a supplement that has made their sex lives explosive (literally). I'd like to share one, from a loyal reader...

Rebecca writes:

*Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.*

*Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.*

*Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his superhuman load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these super-charged orgasms was that of a teenage boy.*

*Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."*

*Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.*

*The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?*

Rebecca M.
San Diego, CA

Rebecca, as I've mentioned in previous columns, I do know all about what your last boyfriend used to enhance his orgasms. I'm happy to report that across the U.S. and Canada more and more men are finding out and using this unique supplement, learning that not only do they themselves benefit sexually, so too do their partners.

The physical contractions and fluid release during male orgasm can be multiplied and more sensitized using an all-natural product called Serogen. Although formulated to trigger stronger, longer orgasmic experiences in men by strengthening the prostate gland, an added bonus of using Serogen—from a woman's perspective—is that these powerful, added contractions men achieve while in the throes of an orgasm can induce an intense, simultaneous female climax.

Moreover, the term "ropes" Rebecca mentions in her letter is actually common European slang for the added contractions and heightened release that cause these rope-like sensations during male orgasm.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If interested in purchasing Serogen, Somalab can be contacted toll-free at 1-866-SOMALAB. Orders can also be placed through Somalab's informational Web site: www.somalab.net.

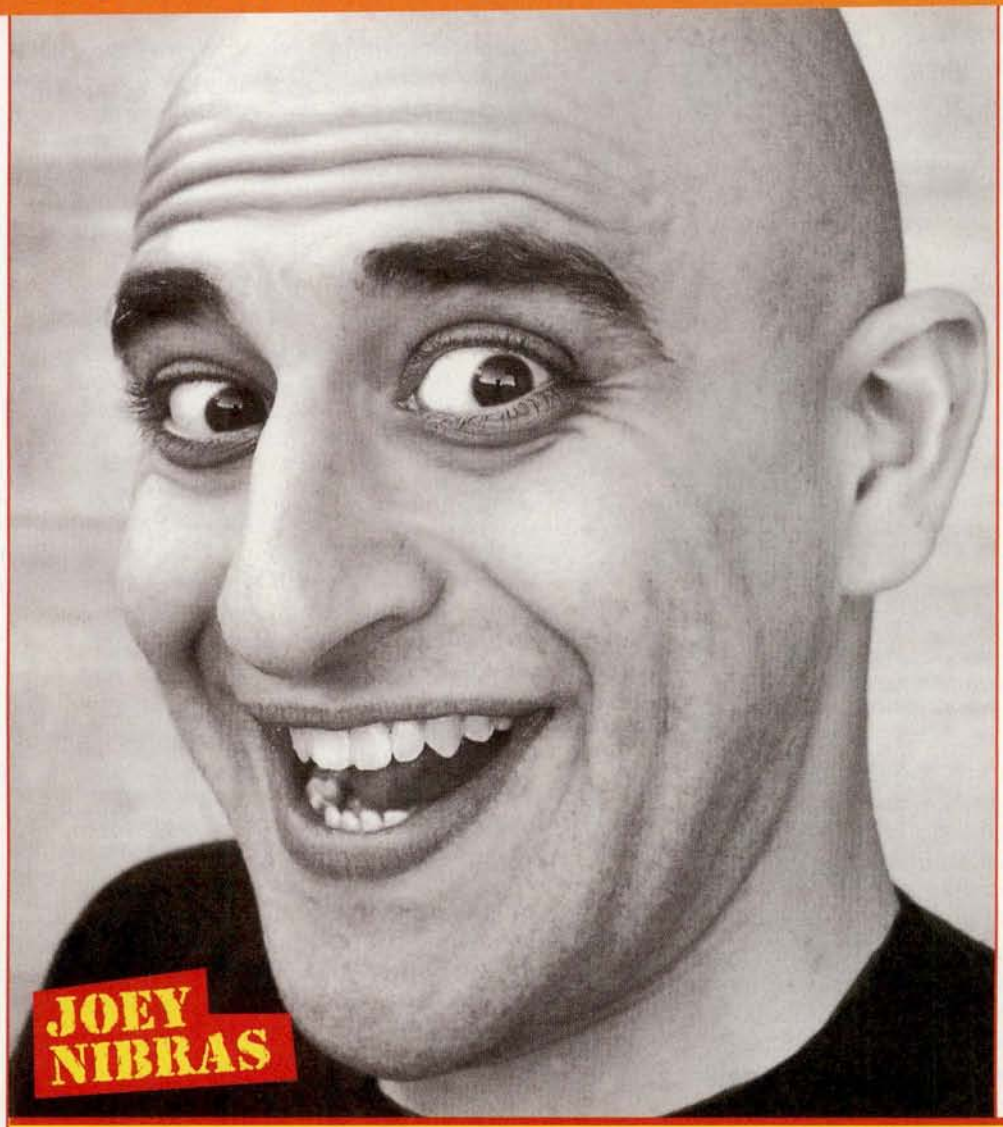
# BIN LAUGHIN'

**In the wake of 9/11, stand-up comics of Middle Eastern descent are pitching in and fighting terror—with humor.** ★Profile by **Ed Rampel**



**"9/11 changed the world completely for everybody of Arab-American and Muslim heritage," says Palestinian comedian Dean Obeidallah. "We were caught in the crossfire and had to rewrite our acts," adds Egyptian-born comic Ahmed Ahmed. This dilemma has turned out to be a blessing in disguise. Out of the cauldron of terrorism, detentions, deportations and hate crimes, a new comedy trend emerged: Arab-American and Islamic comics using laughter to comment on terrorism, war and the now-more-pervasive-than-ever fear of flying.**

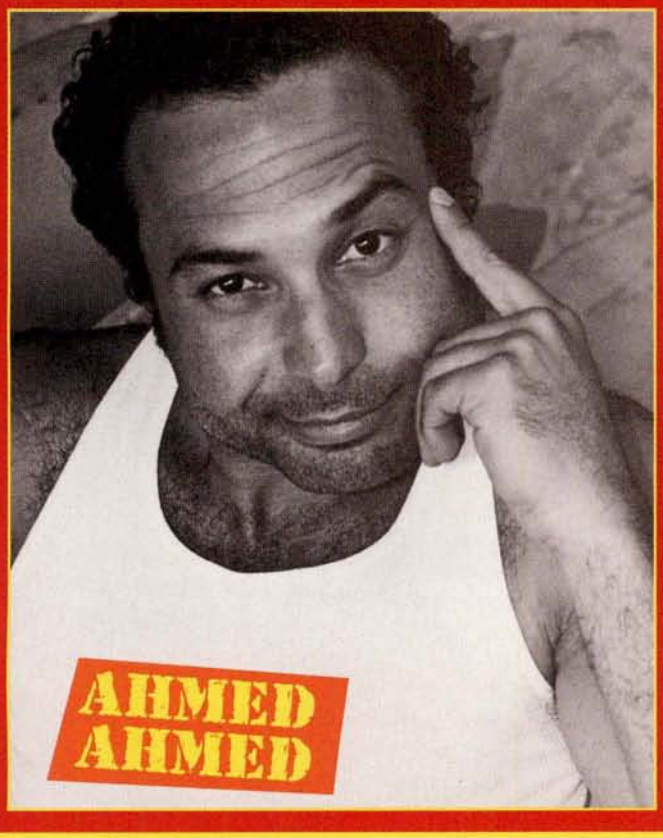
**Joey Nibras**, a/k/a the "Wacky Iraqi," says he was made in Baghdad, but born and raised in Detroit. His family came to the U.S. in the late 1960s because of the persecution they experienced as Chaldean Christians. Nibras, 31, broke into comedy via a Detroit club's open-mic night. After moving to L.A., Nibras developed a reputation on the local comedy circuit and, in 2003, appeared on Snoop Dog's *Doggy Fizzle Televizzle*. The war in Iraq is a major part of his routine. "People in America don't know anything about Arab-Americans. I try to bring our worlds a little closer to each other through laughter," explains Joey.

**"Wassup with security? They checked my shoes twice! On the plane, a lady was very nervous and kept looking at me; so I figured to make her comfortable, I'd fall asleep. When I woke up, I had five seatbelts tied around me. What is this? The Mile High Club for bondage?"**

**"Let me clear up some rumor about Baghdad—we don't have sex with sheep; the sheep have sex with us."**

**"During the Iraqi war, the following shows were canceled in Baghdad: *Allah McBeal*, *Just Shoot Me*—you guys got *Friends*; we've got *Enemies*. You've got *Magnum P.I.*; we've got *.45 Magnum*. You've got *The Price Is Right*; we've got *Saddam Is Always Right*!"**

**"I went to Hollywood and wanted to do my own TV show. An actor told me I have to shoot a pilot first. [*Double-take.*] Are you serious? I don't do that!"**



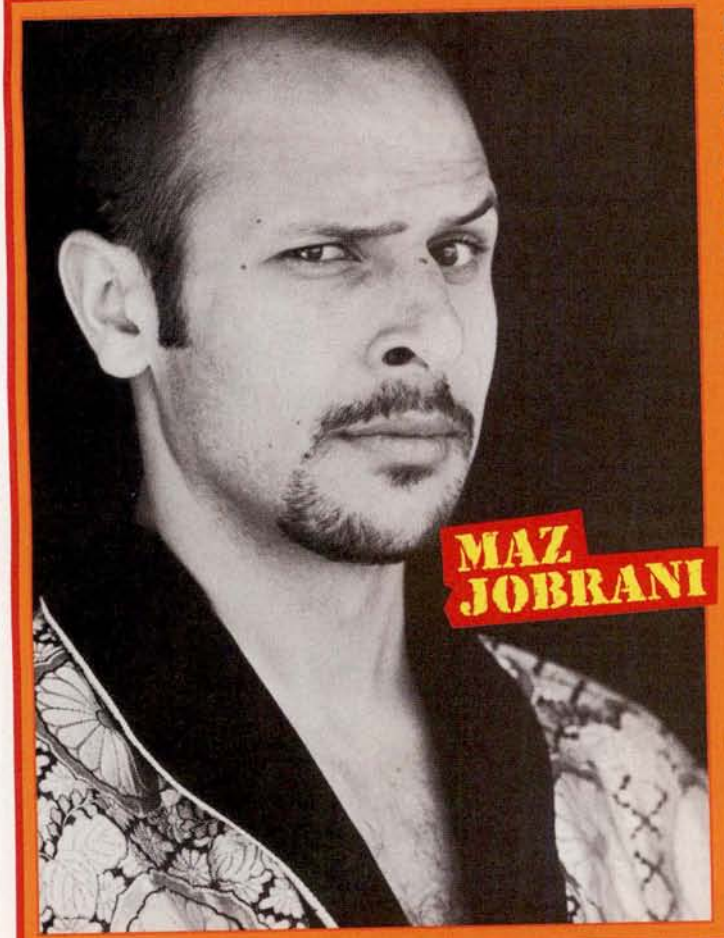
## Ahmed Ahmed

Ahmed Ahmed was born near Cairo, Egypt. In 1970, when he was an infant, Ahmed's family emigrated to America. The future stand-up comedian grew up in Riverside, California, and moved to Hollywood at the age of 19. An observant Muslim who understands Arabic, the Egyptian funnyman played terrorists in *Executive Decision* and on *Roseanne*. Fed up with the stereotypical roles, Ahmed quit acting to focus on comedy. Ahmed has performed with the Arabian Knights, a recurring showcase for Middle Eastern merrymakers begun by the Comedy Store's Mitzi Shore.

**"Ahmed Ahmed's also the name of one of the most wanted terrorists. I joke around at ticket counters to break the tension. When asked where I'm flying, I reply, [*in a thick Middle Eastern accent*] 'I have a one-way ticket to paradise, my friend.'"**

**"Whenever I fly, I have to get to the airport a month early. Security's gotten so bad, now I just show up at the airport in a G-string. By the time they search me, I've made enough money in tips to pay for my airfare."**

**"Meeting girls is tricky, because the girls I attract are looking to get back at their mom and dad. They want to date me because I'm Arab; so it's dangerous to them. Every time I meet a girl, they go home and call friends: [*in a girlish voice*] 'I met this guy: He's tall, dark, hairy, and I think he's a terrorist. My parents would hate him. He's perfect! But I think he may be gay, because he calls some guy named Allah five times a day.'"**



## Maz Jobrani

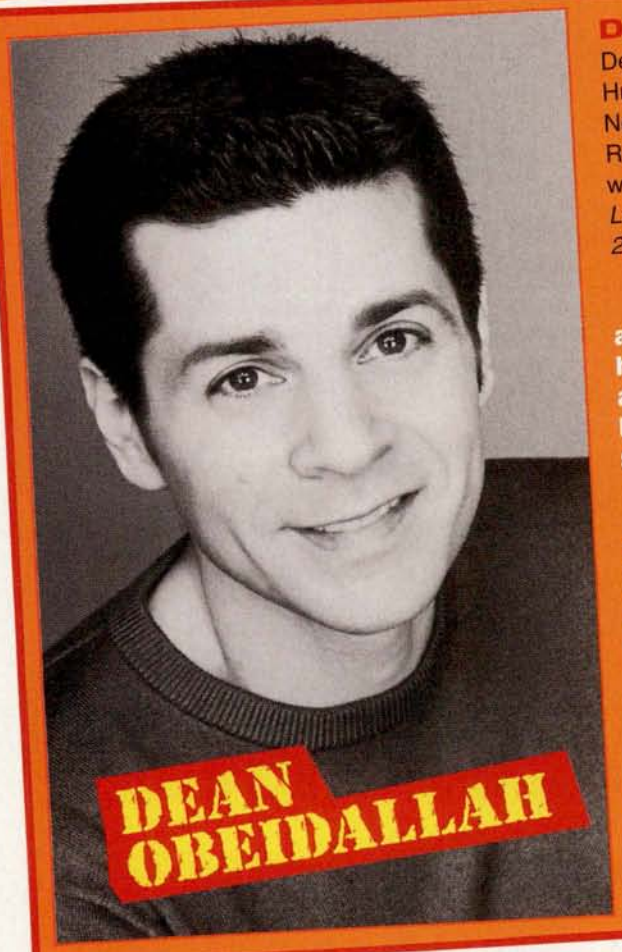
When Jobrani was six, his family moved from Iran to Marin County, California, during the Islamic Revolution. Maz studied political science at Berkeley and dropped out of UCLA's poli-sci Ph.D program. A former student of the ACME Comedy Theater, Maz's big break came when Mitzi Shore made him an Arabian Knights regular. Maz has appeared on *Chicago Hope*, *ER*, *NYPD Blue* and *Curb Your Enthusiasm*, but is best known as Moly in *Friday After Next*.

**"This is a bad time to be from Iran—but at least I'm not from Iraq! What's with having a Q at the end of your name? I didn't want to go to war, because if there's one President who'd fuck it up and bomb the wrong country, it's George Bush!"**

**"Those 19 hijackers were Saudis and Egyptians, but somehow Iran wound up in the 'Axis of Evil.' Wassup with that? We got blamed for their mistakes. We don't blame America for Canada's mistakes [like] Celine Dion. I hate that bitch—she's ugly! Talk about terrorism."**

**"The next place to avoid is Target, because you know some dumb terrorist is going to blow up a Target. [*In an Arabic accent*] 'Hello? Majid, I hit the target! What do you mean I hit the wrong target? You said hit the target!'"**

**"Once the [Iraqi] war started, I had a tough time criticizing the war, because people [said], 'You don't support the troops?' No, I support the troops—it's the politicians I got a problem with. I guarantee you'll never hear this: 'I love the politicians; it's those fucking troops that piss me off!'"**



## Dean Obeidallah

Dean Obeidallah was born and raised on the West Bank—of the Hudson. His Muslim father was born near Bethlehem and emigrated to New Jersey in 1957. Dean's mother is an American-born Sicilian. Raised Catholic, Dean grew up surrounded by Italians. Obeidallah has written jokes for *Saturday Night Live*'s "Weekend Update" and CBS's *Late Late Show With Craig Kilborn*, and appeared on CNN, MSNBC, *20/20* and the late-night shows of Colin Quinn and Conan O'Brien.

**"We're back to terror alert 'orange' again, and there's concern about biological weapons and anthrax. If you're a New Yorker and have been riding the subways for years, you're probably immune to anthrax by now. Anthrax is created in a sterile lab environment; we have germs from puddles that kill rats. If you released anthrax in our subways, our germs would make anthrax its bitch."**

**"Our leaders called Iraqi generals on their cell phones, trying to convince them to surrender. We were telemarketing for peace! We actually e-mailed Iraqi generals as well. I'm sure we were crafty. The [subject line] said 'Penis Enlargement,' but it opens and says, 'Surrender now!'"**

**"Do you know what it's like to have an Arabic last name with 'Allah' in it, living in post-9/11 New York? A guy picked up my credit card and asked, 'What kind of name is Obeidallah?' 'It's Arabic, and literally translated means, 'Peaceful friendly Arab who denounces terrorism and loves America.' A friend told me to use the English translation; so I called to book airline reservations. When asked my name, I said, 'Dean Obedient-to-Allah.' I got transferred to the FBI."**

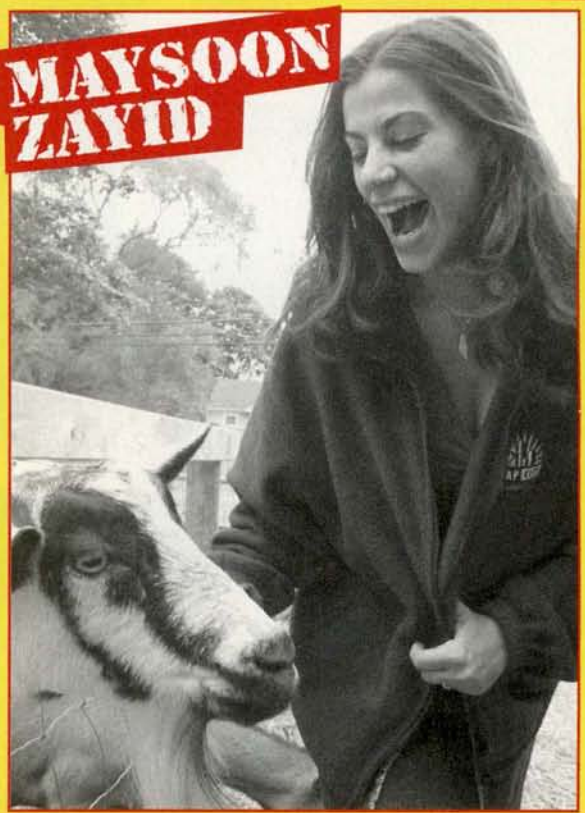
## Maysoon Zayid

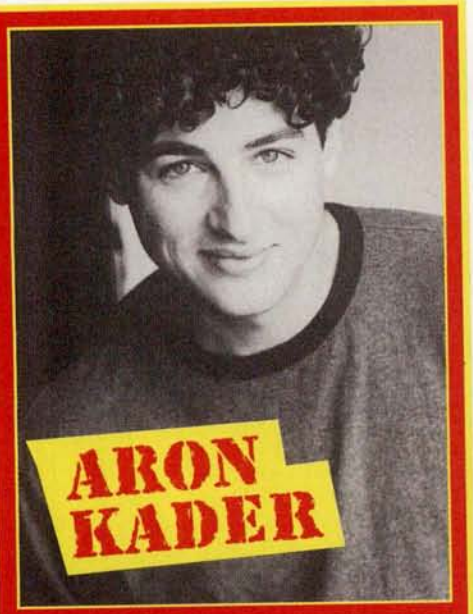
Maysoon Zayid is that rarest of females in HUSTLER: a virgin. In 1967, Maysoon's Palestinian parents emigrated. Ten years later, Maysoon was born in Cliffside Park, New Jersey, where she was raised Muslim. So far she's appeared on *MTV News*, *20/20* and a soap opera, and has performed at Manhattan's major comedy clubs. She's also the first stand-up comic to perform in the West Bank, plus Lebanon and Jordan (an Israeli invasion preempted Maysoon's Gaza debut).

**"Bush made me so proud. He was talking about bombings in Saudi Arabia and said he's gonna find the killers. That's not too hard—because they're charred carcasses, George! They blew themselves up!"**

**"Do you think the next act of terror will be someone throwing Dick Cheney a surprise party? 'Surprise!' [*She mimes Cheney's heart attack.*]"**

**"I'm going back to Palestine, and I'm sorta nervous. Not because of the West Bank thing—I'm nervous about going to Newark Airport. I'm an A-rab, and when I walk into an airport, security knows this. Security doesn't just see an A-rab, but a shaking A-rab. And they're like, 'My God, she's nervous!' And I'm totally afraid of flying. I cry. And now security sees a shaking, crying, A-rab, and they're like, 'She's guilty!' My father drops me off at the airport, and he looks like Saddam Hussein. So now, I'm a crying, shaking A-rab brought to the airport by Saddam, and I have a weird roll of fat. So now I'm a crying, shaking A-rab being dropped off by Saddam Hussein—wearing a suicide belt! And before you can say, 'Jihad,' security's sending out the dogs. Before you know it, I'm on the next plane to Guantanamo Bay! And that might be okay, because there are single men there."**





**Aron Kader**

Aron Kader's grandfather emigrated from Palestine in 1912 and bought a farm in Utah. Aron's father was raised Muslim, but converted to Mormonism. He met Aron's mother—who was also a member of the Church of Latter Day Saints—at Brigham Young University. (The family eventually left the church.) In 1993, Aron relocated to Los Angeles where he worked with the Groundlings, did stand-up, and now performs solo and as part of the Comedy Store's Arabian Knights. He's also appeared on Comedy Central's *Premium Blend* and FX's *The Shield*. The Palestinian funnyman asserts that he's "on a mission"—of hilarity!

**"I was in Cairo, and Arabs are all anti-American now. My cousin's driving me around and says, [*in Arabic accent*] 'America—very bad, very weak. They think they own everything. America's just a paper tiger—they will fall. You hungry? Want something to eat? McDonald's Burger King, Pizza Hut, T.A.I.F.—Thank Allah It's Friday.'"**

**"Let's give Arabs credit for one thing: Arabic numerals. Where would we be without Arabic numerals? Roman numerals? No—Prince isn't going to write a song called 'We're going to party like it's MCMXCIX'—you can't dance to that!"**

# BORED IN THE U.S.A.

By Sharon Bass

**The candid revelations of three housewives and one guy seeking fun and excitement on live chat lines.**

Calls to LIVE chat lines are at EXPLOSIVE LEVELS from HOUSEWIVES looking for fun, and wanting to talk to guys (married or not) about anything and everything. We found three women and one guy who frequent a very popular chat line called **1-800-WIFE-CHAT** and asked them why they are turning to a phone line for sex. Not surprisingly, the answer to our questions seemed to lead down one common path each time - Uninhibited, Instantaneous SEX, anytime, anywhere.

It's Friday night, "Susan's" husband is away on a business trip and her pussy is dripping wet with no one to satisfy her. Does she reach for the vibrator again? No, first, she picks up the phone and calls **1-800-WIFE-CHAT** looking for a man that will make her come over and over again.

"I get so lonely. and bored. Weekends and evenings are so hard on me, so I fix it fast, by finding a horny guy on the chat line who's...REALLY HARD and ready for me!" exclaims "Susan". She continues, "Calling the chat line for no-holes-barred sex talk is a necessity, it's become part of my evening routine."

## I GET SO BORED AND LONELY

"Stephanie" will be the first to tell you she has an insatiable need for sex. "My husband is a great guy but he can't keep up with me." she says. "I call **1-800-WIFE-CHAT** about 4 times a week. It's free for me, and luckily, Daniel (husband) sort of looks the other way. It works for both of us, I get a different guy when I want and he gets to sleep through the night."

As "Stephanie" spins her wedding band around her finger she admits, "Just cuz I'm married doesn't mean I can't have sex chat with anonymous guys." she says. "It (being married) adds another level of excitement to calling the chat line."

"Stephanie", (married 5 yrs) in Florida admits, "The chat line feeds my continuous need for sex. My husband just can't keep up with me."

## UNINHIBITED, INSTANTANEOUS SEX, ANYTIME ANYWHERE!

"I'm a realtor so I'm always working. Scheduling sex with my husband just doesn't work for me. I've been calling the live chat lines for eight months." claims "Kim".

Spontaneous live chat sessions are common in "Kim's" hectic life as a Realtor. "When I want it, I want it NOW! I'm always on the phone so I can get away with it very easily."

"I came five times on one call....while in my car!"

"I admit, when I first called I was nervous, but this guy had me rubbing my clit within minutes. Needless to say, it made me so hot, I've been calling ever since. I can't get enough of talking about sex, some might say I'm addicted to it."

"Kim" says she's made many new "friends" since calling **1-800-WIFE-CHAT**. "I actually met one guy for an innocent lunch which made our future calls with him even hotter. It seemed liked I was cheating....but I wasn't. Talk about having your cake and eating it too!

## 100% REAL HOUSEWIVES

"Yeah, I was skeptical about the girls on chat lines." Says "Will" computer programmer by day, chat line stud by night.

"Turns out, **1-800-WIFE-CHAT** is the REAL deal, they're 100% real married chicks, no actresses like other chat lines. I was surprised by how many wives liked to talk sex for hours." Will exclaims. "Some of these chicks can't get enough of me. It only cost's me $1.99 a minute and I get to fuck as many married women as I want!"

> **"No actresses like other chat lines."**

# PIXIE AND AMBER

# BED 'N' BATH

PHOTOGRAPHY BY CLIVE McLEAN

Amber dreaded telling her roommate, Pixie, that she would be a "little short" on the rent this month. The truth was, she drank away all her money at the local bar. Amber begged Pixie not to kick her out; Pixie agreed to let the comely lush work off her share of the rent by washing every inch of her body—with her tongue. Amber quickly went to work. Between mouthfuls of her benefactor's pussy, the blond sex slave promised to stop drinking and have her rent next month. "Please don't," Pixie pleaded. "Why ruin a good thing?"

Pixie opens wide in BARELY LEGAL #12 and #40, and HOT SHOWERS #12, while Amber gets nasty in HUSTLER'S YOUNG SLUTS, INC. #12, HOT SHOWERS #11 and HUSTLER'S REAL COLLEGE GIRLS #10 on VHS and DVD from HUSTLER Video. Call (877) 325-6464 or visit www.ShopHUSTLER.com to order.

# Spantaneeus Xtasty

**Semiretired XXX queen Spantaneeus Xtasty returns to her rap roots, porn shoots and business suits.**

★Profile by **Tom Farrell** ★Photography by **Ladi von Jansky**

When you're born with a name like Sharon Johnson ("sharin' johnson"—get it?), it's practically inevitable that you'll wind up in the sex biz. And that's the course that was set on a cold February 5, 1965, when the girl who would one day set the record for sexual proclivity was born Sharon Johnson in the City of Brotherly Love.

From the get-go, the girl who would become Spantaneeus Xtasty seemed destined for a life in showbiz. "I went to the Philadelphia School of Performing Arts, where Boyz II Men and a lot of different entertainers from the Philadelphia area who are now famous went to," explains the bosomy ebony beauty while nonchalantly strolling down Hollywood's Walk of Fame.

Dressed in a black vinyl outfit that makes her Death Star-sized tits look like basketballs wrapped in a Glad bag, the adult-film-sensation/aspiring songbird quickly becomes the focal point of a sea of tourists and their Instamatic cameras.

Like her fellow rapper Foxy Brown, Span's mixed lineage—mostly black, but part Filipina—came out a positive genetic dice roll. Even in the all-exposing Southern California sunlight, Span's natural beauty and disarming smile shine through.

Span studied drama while playing drums and guitar in local rock bands. "I had my own band," she reflects. "I was the only girl, and I played drums. I had a lot of Deadhead friends back then, and I was really into Cinderella, Guns N' Roses, Metallica and Skid Row."

After graduating from the School of Performing Arts, Span headed to nearby Temple University to study criminal law. "I went there for two years and found out that law really wasn't for me," says Xtasty. "I'm glad I chose entertainment. If I was an attorney right now, I wouldn't be happy."

Neither would we.

Pausing to have her picture taken, Span smiles and signs autographs for a growing swarm of sightseers before continuing with her curriculum vitae. Span recalls the days when she began to find work as a dancer in hip-hop music videos, and her tastes turned from rock to rap. "I danced for Larry Larr, Chiva and artists on Ruff Nation, when it was Ruff House Records," she remembers. "Then I started doing rap. I didn't think I was a vocalist, then I started writing verses, and it worked. The rap thing started to take off a lot quicker than the rock thing; so I stuck with it."

Span's star began to shine in the rap world as she landed major gigs opening for some of the biggest acts of the day, including Queen Latifah, Naughty By Nature, Black Sheep, Das EFX, Big Daddy Kane and MC Lyte. The exposure led to a five-year contract with Ichiban Records.

Span's involvement with music also led to the birth of her soon-to-be-misspelled stage moniker. "'Spontaneous' was my nickname since junior high school, because I would do unexpected things onstage," she recalls. "I was in my own all-girl rap group called Ecstasy, but as time went on, that didn't work; so I went solo. Then it became Spantaneeus Xtasty."

The newly christened Spantaneeus Xtasty soon found her impending rap career taking a turn for the worse straight outta VH1's *Behind the Music*. The deal with Ichiban failed to build on Span's regional rap acclaim, and soon her dreams of hip-hop stardom began to fizzle. "I always tell everyone, 'Look at the contract, 'cause if they don't have certain information, like the release date, you can actually be just sittin' up on the shelf,'" says the busty rapper.

Span elected to postpone her dreams of a rap career when another industry knocked on her door. "A friend of mine from Philly submitted a photo of me to [an adult] film company in Hollywood, California. My friend said, 'Hey, you should be a porn star,' and I was like, 'No way! Shut *uuuuuuuppp*! My momma would choke me!'" she laughs. "So this person submitted the photo, and then I get this phone call from United Video/Heatwave Entertainment saying that they wanted to put me under contract. They flew me out to California, and *bang!*—the porn star Spantaneeus Xtasty exists. I couldn't be making

a movie and in the recording studio doing a CD at the same time; so I put my rap career on hold and did the adult-film industry thing instead."

By 1995, Spantaneeus Xtasty's film career was as full-blown as her size-43FFF tits, and titles such as *Black Butt Sisters Do Philadelphia*, *Black Snatch Fever*, *Butt-nanza* and *The Intergalactic Anal Adventures of Long From Dong* were flying off video-store shelves. The next few years saw a storm of Span movies, including *Coochies Under Fire*, *Booty Bang*, *Boob Tube Lube* and *Git Yo Ass on Da Bus!*

Over the next three years, Xtasty appeared in more than 350 XXX films, and, by 1998, was ready to wind up her career. But Span wanted to go out on top, and go out with a bang. A gang-bang.

"I came up with the idea [to do a gang-bang] coming back from [porn-friendly electronics-industry convention] CES. I think of things on the spur of the moment," she says. "I came up with the concept—y'know, the Cleopatra, the goddess, the 'sexual goddess that all men adored' type of thing."

In this case, "all men" tallied up to 551, resulting in her blue-screen opus, *Spantaneeus Xtasty 551*, which put Xtasty on top of the gang-bang heap. Taking on more sexual partners in one day than most people have in ten lifetimes wasn't a daunting task to the Philly girl. "I never had a doubt or any second thoughts at all," says Spantaneeus. "I would've if I had seen the other big gang-bang movies, but I didn't see any type of gang-bang scenes at all."

Shedding light on the rumors that she starred in the gang-bang film while on Ecstasy, Span clarifies what preparations and medications she took—or didn't take—for the big scene. "There was no ginseng or vitamin supplements or Ecstasy or anything like that," she laughs. "I just went to In-N-Out Burger for dinner [the night before the shoot] and went to sleep a little early."

The excitement generated from her record-setting sexual marathon scored Span a ton of publicity, and she began appearing on mainstream television and radio. "I was on Howard Stern's show," she beams. "I've been on his show four times now, and he's always been very nice." Span also popped up on afternoon talk shows, including *Sally Jesse Raphael* and *Jenny Jones*.

Riding the wave of porn publicity, Span turned to the lucrative stripping circuit and began dancing in clubs worldwide. "I hit Canada, Germany, Japan, the Virgin

Islands and cities all over America. It was tour date after tour date after tour date," she sighs.

After a couple of years of constant traveling, Span settled back home in Philadelphia to focus on the education she had sidelined for her burgeoning rap and porn careers. This time, Span is making sure she has a better grasp of the business world as she reenters the rap biz. "I'm in school now majoring in business management," she explains. "I have a lot of things in the works that require a business touch; so I may be wearing the businesswoman suit for a while."

Span's newfound role as businesswoman will be useful in her plans to keep future creativity in her own hands. Her less-than-pleasant experience with the record industry during her fledgling hip-hop years has prompted the chesty diva to start her own label, Xtasty Records. "We'll be dealing with rap, R&B, rock and pop," she notes. "There are going to be soundtracks for the movies I'll be in, and we're looking for artists."

Currently, Span is laying down tracks in various recording studios, working with such notables as rapper Mr. Holloway (who recently lent tracks to Westside Connection) and top East Coast DJ Kid Capri (who's toured with, among many others, L.L. Cool J, Nas and Lil' Kim). Xtasty plans to release a maxi-single called *The List*, by summer 2004. "It's going to be fresh and dirty street hip-hop," explains the dusky chanteuse.

In addition, Span plans to start her own adult-film company, Xtasty Entertainment, for which she will wear her business suit

behind the scenes and her birthday suit in front of the camera. "You'll see me in some of the movies, and some new faces," the entrepreneurial wonder says. "I have a lot of people coming up to me, asking, 'How do I get to be a porn star?' So that's good when I'm looking for new talent."

In the meantime, Span delved back into the adult-film biz with a series of new titles. (Heatwave has released a number of recently lensed Xtasty flicks, including *Ghetto Ho's 4*, *Busted*, *Ebony Nurses 4*, *Thick and Black 19* and *Chocolate Gazongas*.)

Why the decision to return? "Well, I never really retired," Span corrects. "I did my last movie four years ago, and since then, I've had so many people come up to me and ask, 'Can you do another movie?' I'm back for my fans."

***As an auditor, I find crunching numbers during tax season to be as much fun as having your nuts sawed off by a rusty knife. Alcohol seemed the best option for temporary escape one Friday night. Two fellow disgruntled bookkeepers, Chad and Raul, joined me in my quest for stress relief.***

The three of us met at the bar, wasting no time on idle chitchat. Twenty shots of Black Bushes later, a sexy blond looker in a tight pantsuit suddenly appeared in front of our table.

"Green building at the end of the block; 3B; 10 sharp," said the succinct lass, dropping a brass key amid the emptied glasses. It was 9:45 p.m.

"I've never been in a gang-bang," Chad whimpered like a little girl with a scraped knee.

"Snap out of it, bitch, and let's go!" Raul lashed out.

After stumbling down the street, we finally arrived at our destination. Raul carefully inserted the key and opened the door. It was 10 on the dot.

The lingerie-clad blondie was lounging on a king-size bed in the middle of a huge studio. Her gorgeous face beamed with lustful anticipation.

"Come here," the light-skinned seductress said, breaking the silence.

We didn't exactly know to whom the request was aimed, but Raul jumped at the opportunity, strutting toward her and giving her a sensuous kiss. Slowly, he slid his hand between the anonymous cockhound's legs, shifting her lace panties to the side. She parted her alabaster legs to accommodate his swarthy manipulation. He rubbed her labes till they shined, then, slipped two fingers in; she panted heavily as her swollen mound swallowed his thick digits. I quietly walked over to the bed as he continued to work her pussy.

Looking at me, she whispered, "Suck my tits."

I raced to unfasten her white bra. Her D-cup jugs spilled out of their holsters and into my eager mouth. My agile tongue flicked her pink nipples, and I drank her milky chest flesh. Meanwhile, the hot tramp motioned Chad to join us.

"Are you hungry?" she inquired politely.

"A...a li...little," the timid numbers-cruncher stammered anxiously.

"Bitch! Get over here and eat her ass!" Raul roared.

Chad lowered his head in obeisance and strolled hesitantly toward the bed, but once he engaged in our fuck faction, he gained his composure.

"I want you on all fours," Chad asserted. I momentarily spat out my mouthful of teat meat, shocked at his newfound assertiveness.

The indulgent slattern instantly acquiesced, and we attacked her like a pack of rabid dogs. Chad dove into her asshole, gnawing on her savory browneye with slobbery zeal. Raul slithered underneath. The dusky cockslinger teased his prey, lightly nudging his head in her wet slit a couple of times until finally ramming it up her dripping slot. The pierced siren sprang forward in shock; luckily, her mouth was open when I caught her by plugging my veiny python into her face-pie, helping stabilize her balance.

"*Mmm, grrchmmkk, uhrmm!*" the golden-haired hussy said in thanks.

"Keep that nana coming, baby," Raul commanded between thrusts. I pushed the dirty damsel's head further into my crotch, causing her to gag. Her suction-like hoovering started to make my balls go numb.

Our meat-Barbie issued a few more pleasure-filled snarls while we worked her holes as if trying to strike oil. Chad pounded furiously at her back door, leaving welts on the peaks of her ass cheeks as his flailing pud rendered her shit pit a gaping, purple maw. With a feral grunt, he discharged his seed and splattered her distended colon.

Shortly, my own ball broth started to boil; so with both hands I secured her head while bulldozing into her throat as far as I could, pumping my man-elixir into her stomach. Immediately after drinking my froth, she sat up and began to thrash on Raul's love rod.

"I'm c...co...co*mmmm*...," she hummed. Raul, gripped by an orgasmic paralysis, hit the jackpot soon after her, spilling his scrotum sludge all over her outer lips.

We sat for some moments, soaking in the experience and our communal juices.

"Thanks. I really needed that after a long week of canning fugitives," the professional admitted.

Leaving her studio, I happened to see her law degree hanging on a wall. Apparently, criminal prosecutors need a good ass-screwing every once in a while too. Heading home that night, I felt great that I'd relieved my stress and fulfilled a civic duty.

# THE BEST LEGAL WHOREHOUSE IN TEXAS

## SADDAM'S OLD BUDDY, JAMES BAKER, OPENS A WHITE HOUSE ANNEX

★ Report by Greg Palast

Looking for the best little legal whorehouse in Texas? In Houston, stop by Baker Botts LLP and ask for Jim.

The law firm of James Baker III, secretary of state under George Bush the Elder, doesn't bat an eyelash at the kinkiest client requests. Right now, Baker's stable is working day and night for the defense minister of Saudi Arabia to prevent the families of the victims of the September 11 attack from seeking information on the Kingdom's funding of al Qaeda fronts.

It's tough work, but the payoff came in December, when President Bush the Younger announced that Baker would get the job of "restructuring" the debts of the nation of Iraq.

And who will net the big bucks under Jim Baker's plan? Answer: Saudi Arabia, which claims $30.7 billion due from Iraq, plus an estimated $12 billion in "reparations" from the First Gulf War.

### PUPPET STRINGS

Let's ponder what's going on here. We are talking about something called sovereign debt. And unless George Bush has finally 'fessed up and named himself Pasha of Iraq, he is not their sovereign. Mr. Bush has no authority to seize control of that nation's assets nor its debts.

But our President is not going to let something as trivial as international law stand in the way of a quick buck for Mr. Baker. To get around the wee issue that Bush has no legal authority to mess with Iraq's debt, the White House has crafted a neat little subterfuge. The official press release says the President has not appointed Mr. Baker. Rather, Mr. Bush is "responding to a request from the Iraqi Governing Council." That is, Bush is acting on the authority of the puppet government he imposed on Iraqis at gunpoint.

The Bush team must see the other advantage in having the rump rulers of Iraq pretend to choose Mr. Baker: The U.S. Senate will not have to review or confirm the appointment. If you remember, Henry Kissinger ran away from the September 11 commission with his consulting firm tucked between his legs after the Senate demanded he reveal his client list. In the case of Jim Baker, our elected Congress will have no chance to ask him who is paying his firm, nor even require him to get off conflicting payrolls.

Or maybe there's no conflict at all. If you see Jim Baker's new job as working not to protect a new Iraqi democracy but to protect the loot of the old theocracy of Saudi Arabia, the conflict disappears.

### "I FIXED FLORIDA"

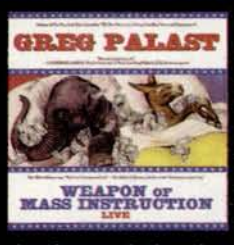
Why is our President so concerned with the wishes of Mr. Baker's clientele? What does Bush owe Baker? Let me count the chads, beginning with the 2000 election.

Recently, Baker said, "I fixed the election in Florida for George Bush." That was the substance of his remarks to an audience of Russian bigwigs as reported to me by my somewhat astonished colleague at BBC television.

It was Baker, as consigliere to the Bush family, who came up with the strategy of maneuvering the 2000 Florida vote count into a Supreme Court packed with politicos.

Baker's claim to have fixed the election was not a confession; it was a boast. He meant to dazzle potential clients by touting his Big In With the Big Boy in the White House.

## GREG PALAST ROCKS THE MIC



Greg Palast has teamed up with former Dead Kennedys frontman Jello Biafra's label, Alternative Tentacles Records, to release *Weapon of Mass Instruction*, a CD culled from one of the investigative reporter's speaking appearances. For those too busy to read *The Best Democracy Money Can Buy*, or for those who want to hear their favorite award-winning journalist speak, this is the perfect audio experience. The live performance features verbal exposés on the Iraq War, the 2000 election and the thwarted investigation into the Bin Laden family. The disc even includes an enhanced feature that allows people to view official documents that back up Palast's explosive revelations on their computers.

*Weapon of Mass Instruction* can be ordered directly from www.AltnerativeTentacles.com and www.GregPalast.com.

Over the years, Jim Baker has taken responsibility for putting bread on the Bush family table. Jim is the top lawyer for the Carlyle Group, the arms-dealing investment firm that hired both Poppy Bush after he was booted from the White House and Junior Bush while his daddy was still President.

Bush Sr.'s job was to schmooze the Saudis, including the Bin Laden family, which invested in Carlyle. Dubya "advised" Carlyle's CaterAir unit, which, under his watchful eye, swiftly took a terrifying financial nosedive.

## JIM'S RENT-BOY, SADDAM

Baker's Saudis want Iraqi's poor citizens to pay them off for so-called war reparations from Gulf War I. But who gave Saddam the idea he could get away with invading Kuwait, anyway?

Answer: Mr. Jim.

On July 25, 1990, Saddam asked U.S. Ambassador April Glaspie if the U.S. would object to an attack on Kuwait over the small emirate's theft of Iraqi oil. Glaspie told him, "We have no opinion...Secretary [of State Jim] Baker has directed me to emphasize the instruction...that Kuwait is not associated with America."

Glaspie, in Congressional testimony in 1991, did not deny the authenticity of the recording of her meeting with Saddam, which world diplomats took as a U.S. green light for an Iraqi invasion.

## MOOLA FOR THE MULLAHS

Baker will be playing with an Iraqi debt on the order of $120-$150 billion, depending on who's counting. And who's counting is *very* important.

Much of the so-called debt to Saudi Arabia was given to Saddam Hussein to fight a proxy war for the Saudis against their hated foe, the Shi'ia faction of Iran. And as disclosed by a former Saudi diplomat, the kingdom's sheikhs handed about $7 billion to Saddam under the table in the 1980s to build an "Islamic bomb."

Should Iraqis today and those not yet born have to be put in a debtor's prison to pay off the secret payouts to Saddam?

James Wolfensohn, president of the World Bank, says no. Wolfensohn has never been on my Valentine's list, but in this case, he has it right: Iraq's $120 billion in debt should simply be canceled.

Normally, the World Bank is in charge of postwar debt restructuring. That's why the official name of the World Bank is International Bank for Reconstruction and Development. This is the Bank's expertise. Bush has rushed Baker in to preempt the debt write-off the World Bank would certainly promote.

## THE 28-PAGE GAP

Last July Congress issued the official report on the September 11 attack. But it was missing, it turns out, 28 pages the White House didn't want us to see. Apparently, the excised portion was all about Saudi Arabians' "charitable" donations to needy terrorists.

Some nasty readers might think Jim Baker had a hand in censoring the info, but that's not fair. It was purely a U.S. government decision, doubtless reviewed by our Ambassador to Saudi Arabia, Robert Jordan—who is, coincidentally, a former partner in, *uh*, Baker Botts.

So if you have the cash and are looking for a good time, but can't find the little red light in front of Baker Botts's office in Houston, try 1600 Pennsylvania Avenue in Washington, D.C. That's Baker's new satellite office.

Our President has promised James III a desk close to his own. This will be the first time in the history of our republic that a corporate lobbyist will actually have an office right in the White House.

Come to think of it, maybe I'm being too dismissive of the Iraqi make-believe government. After all, it's not as if George Bush were elected by voters either. It would be more accurate to say that *two* puppet governments have agreed to let the man who has always pulled the strings come out from behind the curtain, take a bow and take charge—then take the money and run.

## CUOMO SUES PALAST FOR $15 MILLION! SHADES OF FOX vs. AL FRANKEN

In a weird and unexpected repetition of the Fox News-versus-Al Franken fiasco, former New York Governor Mario Cuomo filed suit against Franken's publisher, Penguin, over the ex-politico's mention in the *New York Times* best-seller, *The Best Democracy Money Can Buy.*

Mario also sued the author, journalist Greg Palast, for $15 million. In an odd twist, Al Franken, subject of the last lawsuit against Penguin, is one of the celebrities who have recorded the audio version of Palast's book.

"There are two Cuomos," explained Palast, "Mario Jekyll and Mario Hyde. In public, Cuomo's the sanctimonious defender of the Bill of Rights and the working man, but in the back room, he's a bully-boy allergic to the First Amendment."

The dispute centers around a section of the book that discusses when Palast was chief investigator in the Suffolk County, New York, government's successful prosecution of the builders of the Shoreham nuclear plant. Long Island electricity customers were awarded approximately $400 million in compensation from the civil-racketeering case, based on Palast's discovery of alleged frauds. One issue raised in the tome is then-Governor Cuomo's involvement in that 1988 litigation.

According to Palast's book, after a jury ruled that Long Island Lighting of New York should pay $4.8 billion, "a slick operator named Mario Cuomo reached the chief federal judge in New York and—*poof!*—the jury's verdict was thrown out."

Ironically, Palast had previously won accolades from Cuomo, receiving a mounted pen from Cuomo's signing of the Long Island Power Authority Act, which put the owner of Shoreham out of business.

As to Cuomo's complaint, Palast said, "I'm not infallible; if I made a mistake on the facts, I'll correct it. But in this case, I'm right on the facts. Cuomo's bully-boy attempts to censor reports in the public interest won't work.

"But the real issue," continued Palast, "is the right of a reporter to write the facts to the best of his knowledge free of the fear of financially ruinous lawsuits and intimidation."

*Kiwi and Romeo*

# *Blackballed*

PHOTOGRAPHY BY CLIVE McLEAN

When Kiwi heard the phone ring at 2 a.m., she knew it could only be one thing: a booty call from her baby's father, Romeo. Kiwi had sworn off sex with her former sperm donor after he knocked boots with her mother, sister and mother's sister.

She decided to go over to his place and give the smooth-talking lothario a piece of her mind, but the Nubian beauty ended up giving him a piece of ass. Much to the sleeping neighbors' dismay, the reunited horndogs made more noise than a Bobby Brown-Whitney Houston domestic dispute.

Kiwi bares it all in BARELY LEGAL #20, YOUNG & BLACK #1, BLACK & WILD #2, LIQUID CITY: MYSTIKAL #1 and SNOOP DOGG'S HUSTLAZ: DIARY OF A PIMP on VHS and DVD from HUSTLER Video. Call (877) 325-6464 or visit www.ShopHUSTLER.com to order.

## THE FEDS MAKE WEBMASTERS EAT SHIT

★Up Shit Creek With **Dan Kapelovitz**

### Is the U.S. government defecating all over our rights to life, liberty and the pursuit of crappiness?

In January 2003, Thomas W. Svitek purchased three fecal-fetish videos from the Web site www.GirlsPooping.com. Less than a year later, four people—Michael Corbett and his wife, Sharon Corbett, of Lewisburg, West Virginia; and Joseph Tanner and Randall Rogers of Quitman, Georgia—were convicted on federal obscenity charges.

Svitek, it turns out, is a United States postal inspector in Charleston, West Virginia. Svitek's affidavit does for scatological erotica what the Starr Report did for cigar-sex fanatics. Svitek "personally viewed" the videos, and this is what he learned: The film *Outdoor Pooping Paradise* features "extreme close-up views of the anus and vaginal areas of women as feces were expelled from the anus and as women urinated." A video entitled *Mandy 2* depicts a completely nude woman, shot from behind, defecating onto a newspaper. The awkwardly named *Simone's Daddy's Little Girl*, meanwhile, shows a porn actor administering an enema to his fictional daughter. "The father then videotapes the subsequent violent expulsion of feces from the anus of the 'daughter' onto his naked body while he is seated in a bathtub," reads Svitek's report. "The father 'plays' with the feces throughout and eventually masturbates with feces in his hand and feces covering his penis and genitals."

About a week later, Postal Inspector Michael O'Shaughnessy assisted Svitek by making an "undercover purchase" of three more videos from GirlsPooping.com, presumably to gather more evidence. O'Shaughnessy sent $62.50 of taxpayer money to Michael and Sharon Corbett's address with a check payable to MJC—Michael's initials.

O'Shaughnessy had the tapes sent to an "undercover post office box" in Goshen, Kentucky, but was kind enough to forward the movies to Svitek. According to Svitek's descriptions, these videos featured more shitting—into a toilet, onto a plate and into a bathtub, along with extreme close-up shots of the anus of a person who is defecating and urinating.

O'Shaughnessy ordered three more videos from GirlsPooping.com and forwarded them to Svitek. One of them, *Pottytime With Brittanie 2*, features a woman who, according to Svitek, "appears to be Sharon Corbett, based on surveillance of Sharon Corbett and a comparison of her West Virginia driver's license photograph. She lifts up her legs as she defecates so the feces are [*sic*] visible to the camera as it leaves her anus. In several scenes, a man is laying underneath the woman who appears to be Sharon Corbett while she defecates into his opened mouth."

Svitek's extensive scatological viewing wasn't in vain; it secured a warrant to arrest the Corbetts, search their home and seize their property. On March 26, 2003, Michael Corbett was driving home after helping his friend build a house. He was greeted by numerous officers on his property. At first, he thought someone had been murdered. "I had no reason to believe that there was any violation of any law," says the GirlsPooping.com mastermind. "The next thing you know, you have 20-plus federal agents in your front yard, breaking windows to get into your house, taking things out of your closets, throwing your personal records all over the place, throwing you into jail for almost a week, telling you not to make any telephone calls. I'm cut off from the outside world, and they've taken all of my money so I can't properly defend myself."

The majority of Americans are most likely not aroused by watching defecation and may even find such a pastime repulsive. (Though, obviously, there is a substantial market for such material; according to the government, the Corbetts earned approximately $70,000 in three months.) Even so, should fecal flicks be deemed legally obscene? If shitting is not illegal in the U.S. (at least, not yet), why is it suddenly, under Attorney General John Ashcroft, against the law to depict the completely natural act?

Obscene works are not protected by the First Amendment, but the Supreme Court has never offered an exact definition of what constitutes obscenity. In effect, local communities in the form of juries are

responsible for determining what material is against the law.

"We were easy prey for the government because we were a small operation, and we lived in a very conservative area," asserts Corbett.

The defendants never got the chance to find out if their product warranted First Amendment protection in the eyes of a jury. The Corbetts eventually accepted a plea bargain of one count of mailing obscene material.

"If we had taken it to trial, I was looking at 20 years and up to a million dollars in fines," says Corbett. "We were pretty much forced into a situation where we had to plead guilty or risk losing our home and spending up to half a million dollars in legal fees we couldn't afford."

Even so, Kasey Warner, United States attorney for the southern district of West Virginia, believes that the venue was irrelevant. "I am very confident that a jury in any federal district would have convicted the Corbetts on the charged offenses under existing standards," contends Warner, who wants to emphasize that all of his quotes represent his own "strictly personal views" and not necessarily those of his agency.

When asked to respond to the belief that, assuming all participants are consenting adults, poop-fetish films, if indeed a crime, would be a victimless one, Warner responds that society is the victim because "[obscene material] leads directly to the coarsening of society, which the law arguably can and should make illegal."

He continues: "Pornography/obscenity destroys people, relationships and normal societal functioning....In my mind, then, pornography/obscenity becomes a lot like cancer, a highly contagious disease, a rabid dog, terrorism, or a weapon of mass destruction. Pornography has proven itself so dangerous to society that society may rightfully stop it at the outset...even by outlawing its production before 'use' or misuse. When you wait until pornography is produced and then misused, it is too late and the consequences too dire."

Although Warner's views are his own (and who else besides him would be insane enough to equate an adult video with weapons of mass destruction?), the government vows that this is not the end of pornography prosecutions. According to a Department of Justice press release issued on the day the Corbetts pleaded guilty, "Today's convictions are another important step in the Justice Department's strategy attacking the proliferation of adult obscenity. In the coming months, several more significant prosecutions are expected against major producers and purveyors of obscenity."

"This is the wave of the future, unfortunately," says Lawrence G. Walters, Michael Corbett's defense attorney. "Through the course of this case, it was made pretty clear to me that the government is not stopping here by any means, and is actively conducting investigations into other Webmasters' content and making additional obscenity cases."

In December 2003, U.S. District Judge David Faber sentenced Michael Corbett to 18 months in federal prison, a $30,000 fine and three years of supervised release. Sharon Corbett received 13 months prison time, a $10,000 fine and three years probation. The couple further agreed to pay $60,000 in lieu of forfeiting their home.

The judge also sentenced Joseph Tanner and Randall Rogers, of Tdigital Services Inc., who maintained GirlsPooping.com and shared in the profits. Tanner received 13 months in prison and a $20,000 fine, while Rogers received three years probation. (While giving Rogers a lighter sentence, Judge Faber cited his lesser role in the activities and the fact that he is confined to a wheelchair.)

Tanner also agreed to forfeit $80,000, the offending material and the equipment used to produce said material. The Corbetts had previously forfeited $15,010, which was seized from their bank accounts. In addition, Corbett had to relinquish his Web site.

GirlsPooping.com is currently owned and operated by the federal government. The site now features seals of the Department of Justice and the United States Postal Inspection Service, along with the word FORFEITED stamped across the screen in big, red, intimidating letters.

"Before this happened, I was very happy to live in this country," says Michael Corbett. "I definitely felt I was living the American dream, being able to live in my own home that was paid for by my own hard work. I ran an honest business and felt that the First Amendment would protect those things because I wasn't employing underage women, I wasn't exploiting anyone, I wasn't marketing my videos to underage individuals, and they were all consenting adults who requested and viewed this material and purchased it from me."

Corbett says that he is extremely disillusioned with the government, and may even move to another country after he serves his prison stint and supervised release. "Even if the prosecution was to call me tomorrow and say, 'We're dropping our case. We're giving you back all of your videos. Go ahead and get back in the business as you were.' I'd say, 'Screw it.' We'd just get another crappy President with some religious whacko attorney general, and the whole thing would happen again."

In other words, same shit, different day? Let's hope not.

## A Japanese artist explores female evacuation.

★Profile by Jen Matlack

The sculptures of Japanese artist Shunpei Toki (pictured above) share a few striking similarities with the American-made figurines known as Precious Moments. They're both diminutive, have large, doleful eyes and are colored mostly in soft, pastel shades. One noticeable difference, however, is the pastimes they depict. Whereas the repugnantly cute Precious Moments characters are often involved in wholesome activities such as praying or baking cookies, Toki's figurines administer enemas, take dumps and smear feces on themselves.

Toki, 33, began making his shit-obsessed vixens in 1999 as a response to Japanese repression. "People get interested in a female-voiding figure because, in Japan, excretion is educated with a shameful act," says Toki, who has since mastered the art of creating truly alluring scatological hotties, but not the English language. "Such a repression caused the sexual excitement to scatology mania."

More clearly, a lack of acknowledgement in Japanese culture that women evacuate their bowels created a curious group of folks obsessed with female excretory functions.

Toki estimates that 20,000 Japanese fall into this category. "People want to see what must not be seen," he says, adding, "squatting-over-toilet seems to attract the sexual interest of Japanese people rather than Western-style of sitting-on-toilet."

Over the past three years, Toki, a graduate of Japan's Nakanoshima Art Institute, has produced 50 sculptures. His latest is *Sachi*, a big-breasted figure passing an enormous, painful-looking heat stick into a bed pan. (Below her image on his Web site, Toki cryptically writes, "Whatever a beautiful woman may do, she is beautiful. As for the act, which a woman performs, even an excretion act looks beautifully. This work was made in order to prove it. How did you feel?")

Constructed of putty and urethane resin, and standing four to eight inches high, one figure, depending on the amount of its detail, takes up to a month to create. Customers can purchase either an assembly kit for $50 or shell out $1,000 for a completed work at http://gold-exp.hp.infoseek.co.jp/.

Until recently, Toki used his imagination or scenes dictated by clients to craft his figurines. Now he works with live models and turns the process into a kind of performance art, inviting people to watch the model produce a live turd or even get in on the action by giving her an enema (for a fee, of course). It's no surprise that Toki's wife doesn't give a crap about her husband's line of work. "She seems to avoid taking interests," says Toki.

# NEWS

**In a seeming attempt to keep up with rap artists such as 50 Cent**, an increasing number of rock musicians have gotten themselves shot lately. As *Aural Pleasures* reported in the March HUSTLER, former Kiss guitarist Bruce Kulik started the trend last October by taking a bullet outside a Hollywood club. Then, on December 26, Cris Kirkwood, the troubled former bass player for the Meat Puppets, caught hot lead in the abdomen from a post office security guard in Phoenix. That shooting stemmed from an alleged argument between Kirkwood and another patron over a space in the post office parking lot; Kirkwood reportedly became belligerent and punched the guard before grabbing the officer's baton and hitting him on the side of the head. The guard then drew his side arm and fired one round. Because the incident occurred on federal property, the FBI is investigating; Kirkwood could face up to ten years in jail.

**Kinks lead singer Ray Davies** was shot in New Orleans on January 4 after his female companion's purse was snatched while they strolled through the French Quarter. In a mixture of chivalry and foolhardiness, the spindly 59-year-old Brit ran after the two suspects, one of whom put a bullet in the singer's leg. Davies was treated at a local hospital and released. Though press reports didn't confirm this, we'd like to think that, upon being hit, Davies dropped to one knee and growled, "*Aargh*—you really got me!"

**Rush guitarist Alex Lifeson** was arrested for aggravated battery on a law enforcement officer after reportedly fighting with sheriff's deputies, spitting blood in one of their faces and pushing another down a stairwell during a New Year's Eve melee at the Naples, Florida, Ritz-Carlton hotel. According to authorities, the incident began when Lifeson's 33-year-old son, Justin Zivojinovich, refused to leave the stage where the house band was performing. Deputies said they had to use a stun gun on the 50-year-old Lifeson. Okay, so it's not as intense as a full-on shooting, but give the guy a break—he's from Canada.

In completely unrelated news, **Russian pop duo TATU** announced their candidacy in their country's 2004 presidential election. In order to circumvent election law stipulating that candidates must be at least 35 years old, the two plan on running together, citing that their combined ages exceed the minimum. (According to this logic, a threeway with the Olsen Twins—whose combined age is 34—would be perfectly legal. Good luck.) The election will be over as you read this, and it's highly unlikely that the girls won, making this an untimely item but an excellent excuse to run this photo.

# REVIEWS

**Gingersol**
***Eastern***
**(Rubric)**

Deftly traipsing between indie pop and y'all-ternative twang, New York-by-way-of-L.A. outfit Gingersol turn in a bipolar set full of soaring melodies and wrenched-heart lyrics. Vocalist Steve Tagliere's world-weary rasp chronicles tales of romantic meltdown, while his comrades—particularly guitarist Seth Rothchild, with his style-spanning fretwork—evoke Wilco before they went electro-wiggy. Plus, "A Great Day for a War" is probably the most toe-tapping song about the wake of 9/11 written to date. It's disaster-rific!

**The Von Bondies**
***Pawn Shoppe Heart***
**(Warner Bros.)**

Living in the frequent murder capital of the world has rubbed off on Detroit's Von Bondies. Their first major-label release, *Pawn Shoppe Heart*, is the musical equivalent of a gunshot wound to the chest, a sharp kick to the groin and maybe even a Jack White-inflicted punch in the face (think *Raw Power*-era Stooges). Brooding and jangling bluesy ballads such as "Mairead" coupled with in-your-face, stripped-down garage riffs (e.g., "No Regrets" and "Broken Man") make this a fine accompaniment to an evening of mayhem and mischief.

# DAMAGEPLAN Life After Pantera

Dimebag Darrell (left) and friends hit the downtown dildo district.

**Damageplan may not yet be a household name, but that should change shortly. The founding members are none other than brothers Dimebag Darrell (guitar) and Vinnie Paul (drums) of Pantera fame. After five studio albums and one live disc, which collectively sold more than 13 million copies worldwide, Pantera's heavy-metal juggernaut met an untimely end when vocalist Phil Anselmo decided to trade stadiums for small clubs with his other band, Superjoint Ritual. Dismayed but far from destroyed, Dimebag and Vinnie regrouped with Damageplan's debut album, *New Found Power*. HUSTLER spoke to Darrell about old wounds, new sounds and his alarming dildo consumption.**

**HUSTLER:** Tell us about your new band.

***DARRELL:*** We are ready to kick some fucking ass and do some serious damage. We have been fiddling around for two fucking years. We're real happy to put our new band together and get the fuck back out. We're planning to just do what we do best, which is play music, drink, raise hell with our fans and friends, and break shit.

**HUSTLER:** What exactly caused the end of Pantera?

***DARRELL:*** Basically, Phil didn't want to do Pantera anymore. Nobody fucked somebody else's girlfriend; it was nothing like that. There never was a falling out. We spent a whole year trying to communicate with him through phone calls and meetings, but he blew off every one of them. Then, all of a sudden, Phil is out doing Superjoint and has nothing but bad things to say about everybody in Pantera. It's embarrassing to Vinnie and me, because we never in a million years thought that something like that would happen.

**HUSTLER:** There's no doubt that Pantera fans will stick by you with Damageplan.

***DARRELL:*** Pantera fans were the greatest. We had the best army in the world. That's another thing none of us can figure out—why would Phil want to up and leave that? We worked our whole lives for that. We really intended on being the Rolling Stones of heavy metal—kicking ass and going forever. We never had any aspirations other than Pantera. Now that we have to move past that, Damageplan is the number one and only goal.

**HUSTLER:** What inspired the name Damageplan?

***DARRELL:*** It comes from the trail of destruction we leave everywhere we go. We wanted something powerful that represents the kind of music and band we are. Coming up with a name is a tough motherfucker—everything is fucking taken. Damageplan just seemed to fit everything we're all about, from liver damage to breaking shit right and left.

**HUSTLER:** Musically, how is Damageplan different from Pantera?

***DARRELL:*** When we started doing this record, I went and played guitars I have never played before. I played every guitar in the fucking world. I used all these different amps. I did all these stupid things to try and disguise my sound, to get somewhere different with my stuff. The same thing goes for Vinnie—different drums, cymbals, heads, you name it. After we went through all that shit, it dawned on us—*We don't have to do this.* There are some differences though. We did come up with some meatier, chunkier sounds. I did some things on the guitar a little differently. I didn't go quite as flat-out on the high end, which was kind of a Pantera trademark. I want to leave the Pantera legacy as unscarred as I can.

**HUSTLER:** How did the circumstances surrounding you at the time affect Damageplan's material?

***DARRELL:*** It's all pretty much about the hostility that was floating around after sitting idle for so long. It's like an animal locked in a cage. You let that motherfucker out, and he's going to go ape-shit crazy.

**HUSTLER:** Who is your new singer?

***DARRELL:*** His name is Pat Lachman. He played guitar on both Halford records. He was a key songwriter in that stuff. He and I bonded a couple of years back. I've got a Halford tattoo on my leg; I'm a huge fan. When we hooked up, we had so much shit in common; it was amazing. We ended up sitting on the bus getting hammered. By chance, he started dating this chick in town. He called me and said he was up the freeway at a Motel 6. I said, "Let's light it up." It went from there. I played the new material for him, and he said, "Holy fuck! Who's going to sing on this?" We'd tried a couple of cats, but we hadn't really found the right person. Pat said, "Let me give it a spin. I can sing on this shit, dude." He blew Vinnie and me the fuck away. He packed all his shit up, jumped in a fucking U-Haul and moved down. He's been with us ever since.

**HUSTLER:** Who did you get to play bass?

***DARRELL:*** We got a cat we call Bobzilla. We really needed a monster on bass; so we got Bobzilla, the flame-breathing bass player. He's this bad-ass bass player who's been playing locally for a while. Every time we would ever go out and see bands, he'd be playing. We'd always just focus on him. When it came time to actually pick the right bass player for the band, we called and gave him a couple of tracks. He came down and blew us away. Vinnie said, "Man, I heard fucking God come out of that amp. You know what? That dude is Bobzilla." Vinnie named him right there on the spot. That's when I decided he needed to learn how to blow fire. We got the bottle of 151 out. He wasn't scared. Now he blows fire, and we even rigged up a Godzilla costume for him. He's going to wear it onstage just for a joke.

**HUSTLER:** Do you still do Christmas shopping at porn stores?

***DARRELL:*** Fuckin' A! Nine hundred dollars worth of dildos—all the girls get dildos every year from Dimebag. Instead of going to all these shops and trying to get something thoughtful—I mean, what's a better gift than giving some chick a fucking dildo? And we have a couple of whacked-out gross chicks that hang around. They get the old ones with the big, fucking pumps—green color and shit like that. Then we got the good-looking chicks who get the slim-lines. The double Ds get straight-up, two-foot-long fists. Who gets what—that's where the thought counts.

**The Lot Six**
***Major Fables***
**(Tarantula Records)**

Originally recorded as demos in the summer of 2002, The Lot Six's *Major Fables* hasn't lost any of its aggressiveness or relevance. This Beantown quintet packs a brass-knuckled punch in the aural department, exploring a variety of genres without sounding schizophrenic. The reggae-infused thrashing of "Go to Sleep" switches tempos back and forth, while "My Baby's Gone" sounds like an outtake from the Stones's *Exile on Main Street*. David Vicini's vocals, meanwhile, drift from an intense wailing to an impassioned longing without missing a beat.

## GRATUITOUS COOZE

Meet Rachel Stevens, former member of British pop group S Club and current solo chanteuse. Stevens was recently stopped at Heathrow Airport by security guards for carrying six leather whips, which the guards feared could be used as weapons. Rachel claims that the flogging gear, which was confiscated, was to be used for her stage routine. We choose to believe that's a goddamn lie.

# Rock 'n' Roll Spotlight

## LAMB OF GOD

Eucharistic by nomenclature, nasty by nature, Lamb of God turn metal on its tinnitus-plagued ear with their latest release, *As the Palaces Burn*. A recent Lamb of God DVD, *Terror and Hubris*, documents live performances from Hellfest, and 2002's New England Metal and Hardcore Festival. To top it off, the band was just signed to Epic Records, which will release their next album later this year. Not bad for what bassist John Campbell describes as "five drinking buddies from Richmond, Virginia."

Besides Campbell, Lamb of God is Randy Blythe (vocals), Mark Morton (guitar) and the Adler brothers, Will (guitar) and Chris (drums). On the strength of their first album, *New American Gospel*, and brutal live performances, Lamb of God attracted both a critical and popular fan base. On *Palaces*, tracks such as "11th Hour" showcase the quintet's power and precision: jackhammering, double-kicked rhythms propel twin guitar assaults and Blythe's metal-monster vocals.

Besides pummeling audiences with their peculiar brand of fire and brimstone, the band members study the pages of HUSTLER like evangelists pore over the Good Book. "We were at a show, and this guy pulls out a picture of his girlfriend and starts bragging about how hot she is," recalls Campbell. "I said, 'Let me see that.' I thought, *That chick looks really familiar*. I went into the bus and pulled out this issue of HUSTLER. I was like, 'Dude! This looks just like her!' He hung his head and said 'Yeah, that's her.' I don't know if he was embarrassed or what, but his girlfriend was getting real freaky with this girl and another guy in the magazine. I don't know if *he* totally dug it, but *I* totally dug it!"

Like their earnestly grungy brethren Nickelback (whose vocalist, Chad Kroeger, recorded their early demos) and Creed, Default specialize in emotional, dramatic, mid-tempo rock anthems. The Vancouver, Canada, quartet—Dave Benedict (bass), Danny Craig (drums), Jeremy Hora (guitar) and Dallas Smith (vocals)—has sold millions of records full of solid songwriting, earning them the Juno award (the Canadian equivalent of a Grammy) for best new rock group in 2002. The band first came together in 1999 and, after winning a Canadian battle-of-the-bands competition, they signed with TVT Records. Their debut, *The Fallout*, was released in October 2001. *Elocation*, Default's second album, hit record stores last November.

The group's nonchalance about their band name seems to extend to their album titles. "We used to be called The Fallout, and that name was taken already," explains Hora. "We just kinda stumbled upon 'Default,' and it stuck." The new album's title, *Elocation*, was equally serendipitous. "I stumbled upon the word in the dictionary just by fluke," says Smith. "I thought it was really relevant with the last couple of years, being small-town boys, going all over the world. It just seemed like it was meant to be, so we stuck with that." *Elocation* refers to feelings of displacement and disorientation, emotions familiar to the band after a grueling 17 months of touring.

If Default's history is any indication, though, *Elocation* will find a stable home—at the top of the charts.

Born in Brooklyn, New York, Carmen moved to Puerto Rico with her mother when she was just six. Years later, she relocated to Miami, became an exotic dancer and eventually drifted into the glamorous world of porn. The 22-year-old nymph says her mom was "really understanding" about her new career but adds, "The one who freaked out was my dad! He saw me on the Playboy Channel. He called me and said, 'I saw you on Playboy!' "

When the blond babe isn't giving her father a heart attack, she enjoys meeting her fans at store signings. "They usually tell me I look better in person. They're excited when they see me," she giggles. Carmen says she let one admirer with a foot fetish have his picture taken while kissing her tootsies. Does she ever think about what guys are doing when they look at her nude pics? "Hopefully, they're jacking off!" she laughs.

Take me for a ride!

**Question: What should you do if your girlfriend starts smoking?**
**Answer: Slow down and use more lubricant.**

After searching futilely for weapons of mass destruction in Iraq, the weapons inspectors submitted their final report to President Bush, advising him that they hadn't found a thing.

That night, Dubya invited VP Cheney to the White House to discuss the political implications of the report.

"This is no good," Cheney remarked. "We're going to have to do something about these findings before we release them to the public."

"Yeah, I know," Bush replied, "but how? They're written in ink."

Question: What do you call a beautiful woman on the arm of an ugly guy?

Answer: A tattoo.

A recently married man came home one day to find that his wife had disappeared. Worried, he quickly gathered his friends and searched for his wife, with no success.

The man walked into his kitchen two days later, and there was his spouse. The husband hugged her and asked what happened.

"These four men kidnapped me and made me have wild sex with them for a whole week," she replied.

"What do you mean a week?" the husband asked. "You've only been gone for two days."

"Right," his wife replied. "I'm just here to get something to eat."

A man and a woman were sitting next to each other at a bar. After a few drinks, the man turned to the woman and asked why she looked so down.

"My husband just left me," she said. "He thinks I'm too kinky in bed."

"What a coincidence! My wife just left me," the man replied. "She said I was too kinky for her!"

Later, back at her place, the woman said, "Let me slip into something more comfortable."

She went into the bedroom to change into a leather dominatrix outfit. But as soon as she returned, the man walked out the door.

"Where are you going?" she asked. "Didn't you want to have kinky sex?"

"Well," he replied, "I just screwed your poodle and shit in your purse. I'm done!"

The HUSTLER Dictionary defines *marine layer* as: The most popular girl at Camp Pendleton.

A squad of Marines drove up the highway between Basra and Baghdad. They came upon an Iraqi soldier who was badly injured and unconscious.

Nearby on the opposite side of the road was an American Marine in a similar state, but he was alert.

As first aid was given to both soldiers, the corpsman asked what happened.

The Marine responded, "I was heavily armed and moving north along the highway; coming south was a heavily armed Iraqi soldier."

"What happened then?" the corpsman asked.

"I told him Saddam Hussein was a miserable piece of crap, and then the Iraqi said that Bill Clinton, Ted Kennedy and Tom Daschle were miserable pieces of camel dung," the Marine explained. "We were shaking hands when the truck hit us."

Mike's wife came home Sunday afternoon to find the kitchen and living room a mess, the laundry in a pile, and her husband still on the couch drinking beer and watching football.

"Watch yourself, mister," she yelled, "or you're going to make me do something I don't want to do!"

"Wow," Mike replied, "I can't believe I'm going to get a blowjob out of this!"

A really huge, mean-looking guy went up to a department store clerk and asked, "W-w-where's the m-m-men's dep-p-partment?"

The clerk just looked at him.

The man repeated, "W-w-where's the m-m-men's dep-p-partment?"

Again, the clerk didn't answer him.

"W-wh-what kind of lousy f-f-f-friggin' s-s-service is this?" the guy demanded before storming off.

The next customer in line asked the clerk, "Dang, dude, why wouldn't you answer that guy's question?"

The clerk answered, "Do you th-th-think I w-w-want to get my a-a-a-ass kicked?"

# AN AMERICAN WOMAN IN THAILAND

## A HUSTLER reporter offers a female perspective of Bangkok's sex-tourism industry.

★In the Land of Vertical Smiles With **Carolyn Sinclair**

My first night in Bangkok, I do what I always do in foreign cities: immediately hit the bars. Thailand's capital is home to 10 million people, and its most notorious red-light district is NaNa Plaza. Of course, I start there.

NaNa is like Disneyland for perverts. Inside and outside the bars, the red-light district is crawling with young, beautiful, barely dressed girls, beckoning and harassing every Western man for a chance to please him all night long.

Despite the tenacious hookers' smiles, I can sense that the girls don't want me around. I'm told that the Thai whores consider me a threat to their business since I am a Western woman and alone. Going into bars is awkward because, other than drinks, I'm never going to buy anything.

By night's end, I have a plan to do a little soliciting of my own. Every night, I'll join a new group of sex tourists to accompany me in the bars. It's a dirty prospect, but exhilarating, picking up groups of men who are there to pick up other women.

I'm nursing my fourth vodka soda, thanks to the generous Australian guys I've hooked up with. We're hanging out at Angelwitch, a bar at NaNa, talking American war politics when the lights go down and the music slows to sensual. I instantly forget what I was saying as four strikingly beautiful women take the stage, wearing nothing but coiled Egyptian headpieces. Dancing in unison, their smooth skin gleams with oil. They caress one another, run their hands on each other's slick curves and extend their long, golden bodies between the stage poles.

Then we're off bar-hopping all night through low-lit dens of hedonism. As if free, live sex shows, stiff drinks and 50 go-go dancers you can sleep with aren't enough, porn runs continually on the TV above the bar.

All around me, luscious girls in G-strings and heels dance close together. The exotic beauties wear numbers onstage, making it convenient to order them to go, delicatessen-style—as in, "I'll take numbers five, 13 and 29."

### Lively Nude Girls

At a bar on the island of Phuket (pronounced *poo-ket*, not *fuck-it*), a naked girl walks onto a lit stage holding a tiny bamboo cage. She sticks her ass in the air as she places the cage on the edge of the stage near the footlights. She steps back and grinds her hips to the music; her tawny skin looks bronze in the dim lights.

Writhing with majestic carnality, the dancer tosses back her jet-black hair. When the song ends, she squats and reaches between her legs. A tiny bird flies out of her pussy. The liberated creature circles around the stage and flitters into its cage.

Bars all over Thailand have free live sex shows. The birdie show is one of the tamest. There's also a similar show where the girl writhes to slow music; when she finally reveals her goodies, a green, striped snake emerges, slithering out from inside her, his tiny tongue flickering, tasting the air. With fabulous muscle control, the girl lets the snake slowly descend and curl between her thighs. Another stupid pet trick involves tiny frogs, which are not as gracefully expelled.

One girl risks uterine cancer by smoking a cigarette with her lower pout. The banana show features a girl on her back who inserts a banana into her pussy and, via advanced Kegel development, forcibly ejects the phallic fruit three feet into the air. For the especially adventurous there's the razor-blade act, during which the performer inserts a string of razor blades into her vagina, then pulls them out, pink parts unscathed.

My favorite is the lesbian shower show on the giant rotating stage. Even a straight girl can appreciate the eye candy of ten naked, young girls under soft lighting, their tight bodies in a slippery orgy.

### Sex All Night: Less Than the Cost of an American Date

After talking to sex tourists from all over, I learn that buying sex breaks down like this: You pay the bar a fee to leave with the girl, which is usually 500 baht, or about $12. The first thing a girl will ask is how long you want her around. "Short time" is about an hour and a half. "Long time" means anything from overnight to several months—your choice.

The most important rule of customer etiquette is that money is always on the back end. When you've had enough and you want the girl to leave, then it's time to discuss money. Short time generally costs 1,000 baht ($23), and long time, overnight, runs about 1,500 baht ($35). Prices are always negotiable, and tipping for excellent service is customary, as is springing for meals and cab fare.

With the Thai bar girls, every interaction is like having an instant girlfriend. They're well-mannered, laid-back, sweet girls from countryside villages. Most don't drink alcohol. The girls become fiercely loyal to their johns almost instantly. They parade Western men around as if to show them off to other girls.

Thai gals are accommodating, which may be a luxury if you're accustomed to American hookers (or, for that matter, American women in general). However, be careful of getting emotionally attached if your intention is just a sex-soaked holiday. One guy I met opted for "long time" and ended up with the girl for five years.

An L.A.-based IT consultant I met had never paid for sex, but his first trip to Thailand involved several samplings of the local ladies.

"They take care of you, and you never feel like it's a financial transaction," he says. "They pick out your clothes, have breakfast with you, introduce you to their friends and go to the movies with you. They never remind you that you're paying for it—unlike regular girlfriends in L.A."

What's unique about Thai girls is their authentic silliness—they're always joking and poking at each other, spanking one another, laughing and constantly smiling. They're typically Buddhists, which may explain why they seem so peaceful, loving and content. Even in the red-light district, there's a shrine to the Enlightened One, constantly maintained by the working girls.

### Debauchery by the Bay

Combine Tijuana with Vegas, then multiply the result by ten, and that's as unruly as Pattaya is on an average night. This beachside resort town is crawling with bar girls and foreign boys behaving badly. My first night in Pattaya, I pick up a group of whisky-swilling Irish lads at the Hot Tuna Bar. My randy new acquaintances are knowledgeable sex tourists thrilled to give an American gal a tour of the town's wildest bars and the wickedest nightlife. Graeme Rudge, a Brit who's been to Thailand ten times, describes the country as "a shot of heroin straight into your veins."

In Pattaya, the booze is cheap, drugs are easy to score (though dangerous to possess) and the chaos factor is sky-high. The town's red-light districts cater to every fetish and even the hotels are sex-ready. One such notable hostelry is the Penthouse, located on Pattaya Beach Road. Some rooms feature swings mounted from the ceilings, dancer poles and K-Y Jelly, with handcuffs and sex toys available at the front desk. Prices start at $17.

### Designer Vaginas

I'm watching a beautiful woman with high cheekbones and almond-shaped eyes dance on top of the bar under the neon lights. She's wearing a garter belt and a tight black corset, showing off her well-toned ass to the audience. There's only one problem: She is not a woman.

Bangkok has dozens of *katoey* ("lady boy") bars that feature some of the world's most beautiful transvestites and transsexuals. Some of the "girls" were stripped down to G-strings and heels, and I still couldn't be sure they were not women. Thailand leads the world in gender-reassignment surgery, and many of the *katoey* have more than just their plumbing reworked. In addition to designer vaginas, they've also had their Adam's apples scraped down, cheekbones etched, breasts power-pumped and jawlines narrowed.

Often, Western men pick up a *katoey*, clueless of "her" hidden assets, and an ugly *Crying Game* incident ensues. If you accidentally solicit a *katoey*, don't go ballistic or take it personally—just politely ask her to leave and know that a bonafide female replacement is easier to find in Thailand than a reliable ATM machine.

### Bell Boy Pushers

Standing outside NaNa Plaza, I watch the cops gather like a swarm of hornets, making customers nervous. I hide my camera and try

to remain inconspicuous. The cops march into the center of the plaza and set up folding tables and plastic medical equipment. Then the sweep begins. They take five random girls from each bar for drug testing. If she pisses dirty, the club is fined or shut down.

The Thai government is cracking heads—sometimes literally—in an effort to rid the country of drugs. Horror stories abound, especially when foreigners are caught with dope.

In one case, Warren Fellows, a 25-year-old Aussie, was busted in Bangkok for smuggling heroin between Thailand and Australia. He endured 37 days of interrogation, torture, electrocution and mutilation. This was followed by three years of pretrial imprisonment, which involved solitary confinement in a sewage system and fighting over food scraps with sewer rats. All told, Fellows spent 11 years—from 1978 to 1989—of a life sentence in the Thai prison system. He was released only because he tested positive for HIV.

Despite the gruesome penalties, drug demand still creates a supply. Later that night, I pick up a rowdy group of British lads. Across the street from the earlier drug sweep, inside their hotel room, they're passing around a joint and telling me how easy it is to get weed. When they checked in, the hotel bell boy asked if they were looking for girls, boys or smoke.

### Tired of Sex on Demand?

The Canadian visitor has an unusual request: "Can you just hang out with me? I never thought I'd say this, but I'm sick of being hit on by so many women."

After three weeks in Thailand, I've heard this more than once. If you grow weary of the hooker-bar scene, Bangkok is known for its sinfully delicious nightlife. Some notable hipster hangouts include Angels NaNa Disco and the nightclub in the basement of the Ambassador Hotel. For me, the dance clubs are a welcome change of pace. And the patrons can still enjoy being able to sleep with most any girl they meet there.

The hotel room comes stocked with potato chips, whiskey and rubbers. Of all the boys I've picked up on this trip, I end up staying with one guy from Ireland. He's cool, and shacking up in his room is livelier than getting one of my own.

Sometime after 3 a.m., we wake up to pounding on the door; a guy we know from the club is screaming for us to let him in. In the background we can hear his bar girl screaming obscenities in a shrill, broken English. They're fighting, paranoid and high on *yabba*, a kind of cheap methamphetamine that's like a combination of speed, Ecstasy and acid.

We lay in the bed, and the pounding continues as he moves from our room to rooms down the hall.

The next day at breakfast, the poor bastard has no memory of the previous night and acts genuinely shocked when he's told the tale. The Irish boys are laughing over beer with breakfast, inspiration for another day of decadence in the land of sex and smiles.

For Western boys, Thailand is a seamless fantasy, but I've managed to enjoy the absurdity of this exotic candy land without resorting to lesbianism. And while the chaos is intoxicating, I'll be relieved to be back in America, where it's still a lady's world. Well, mostly.

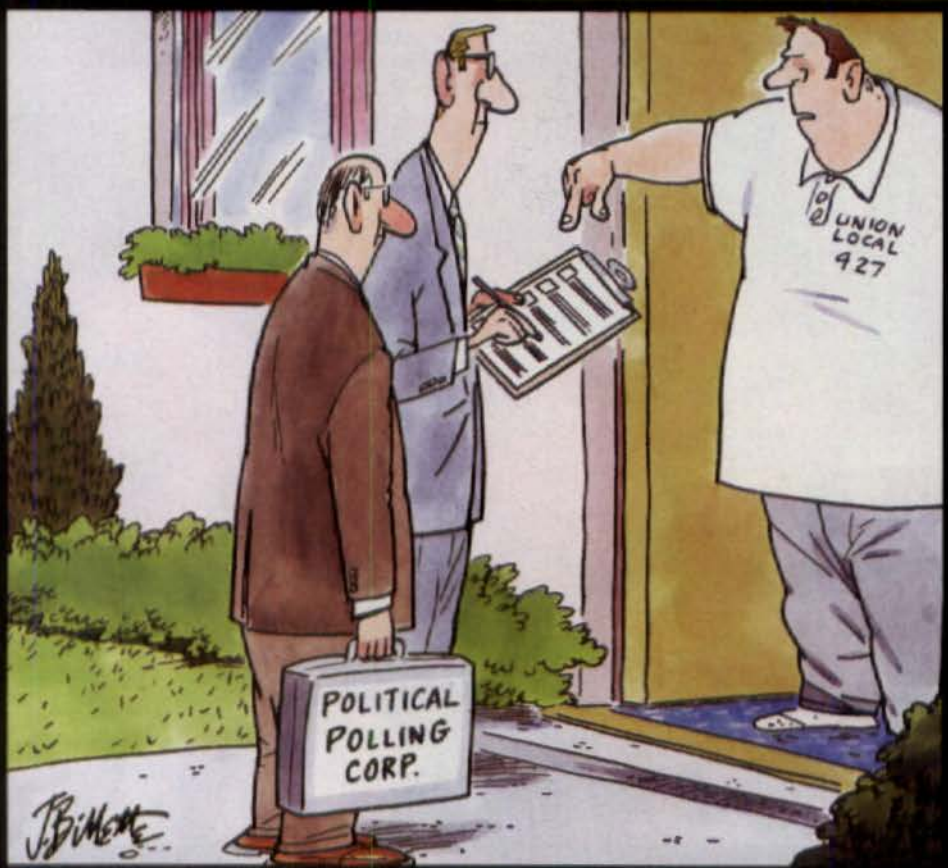
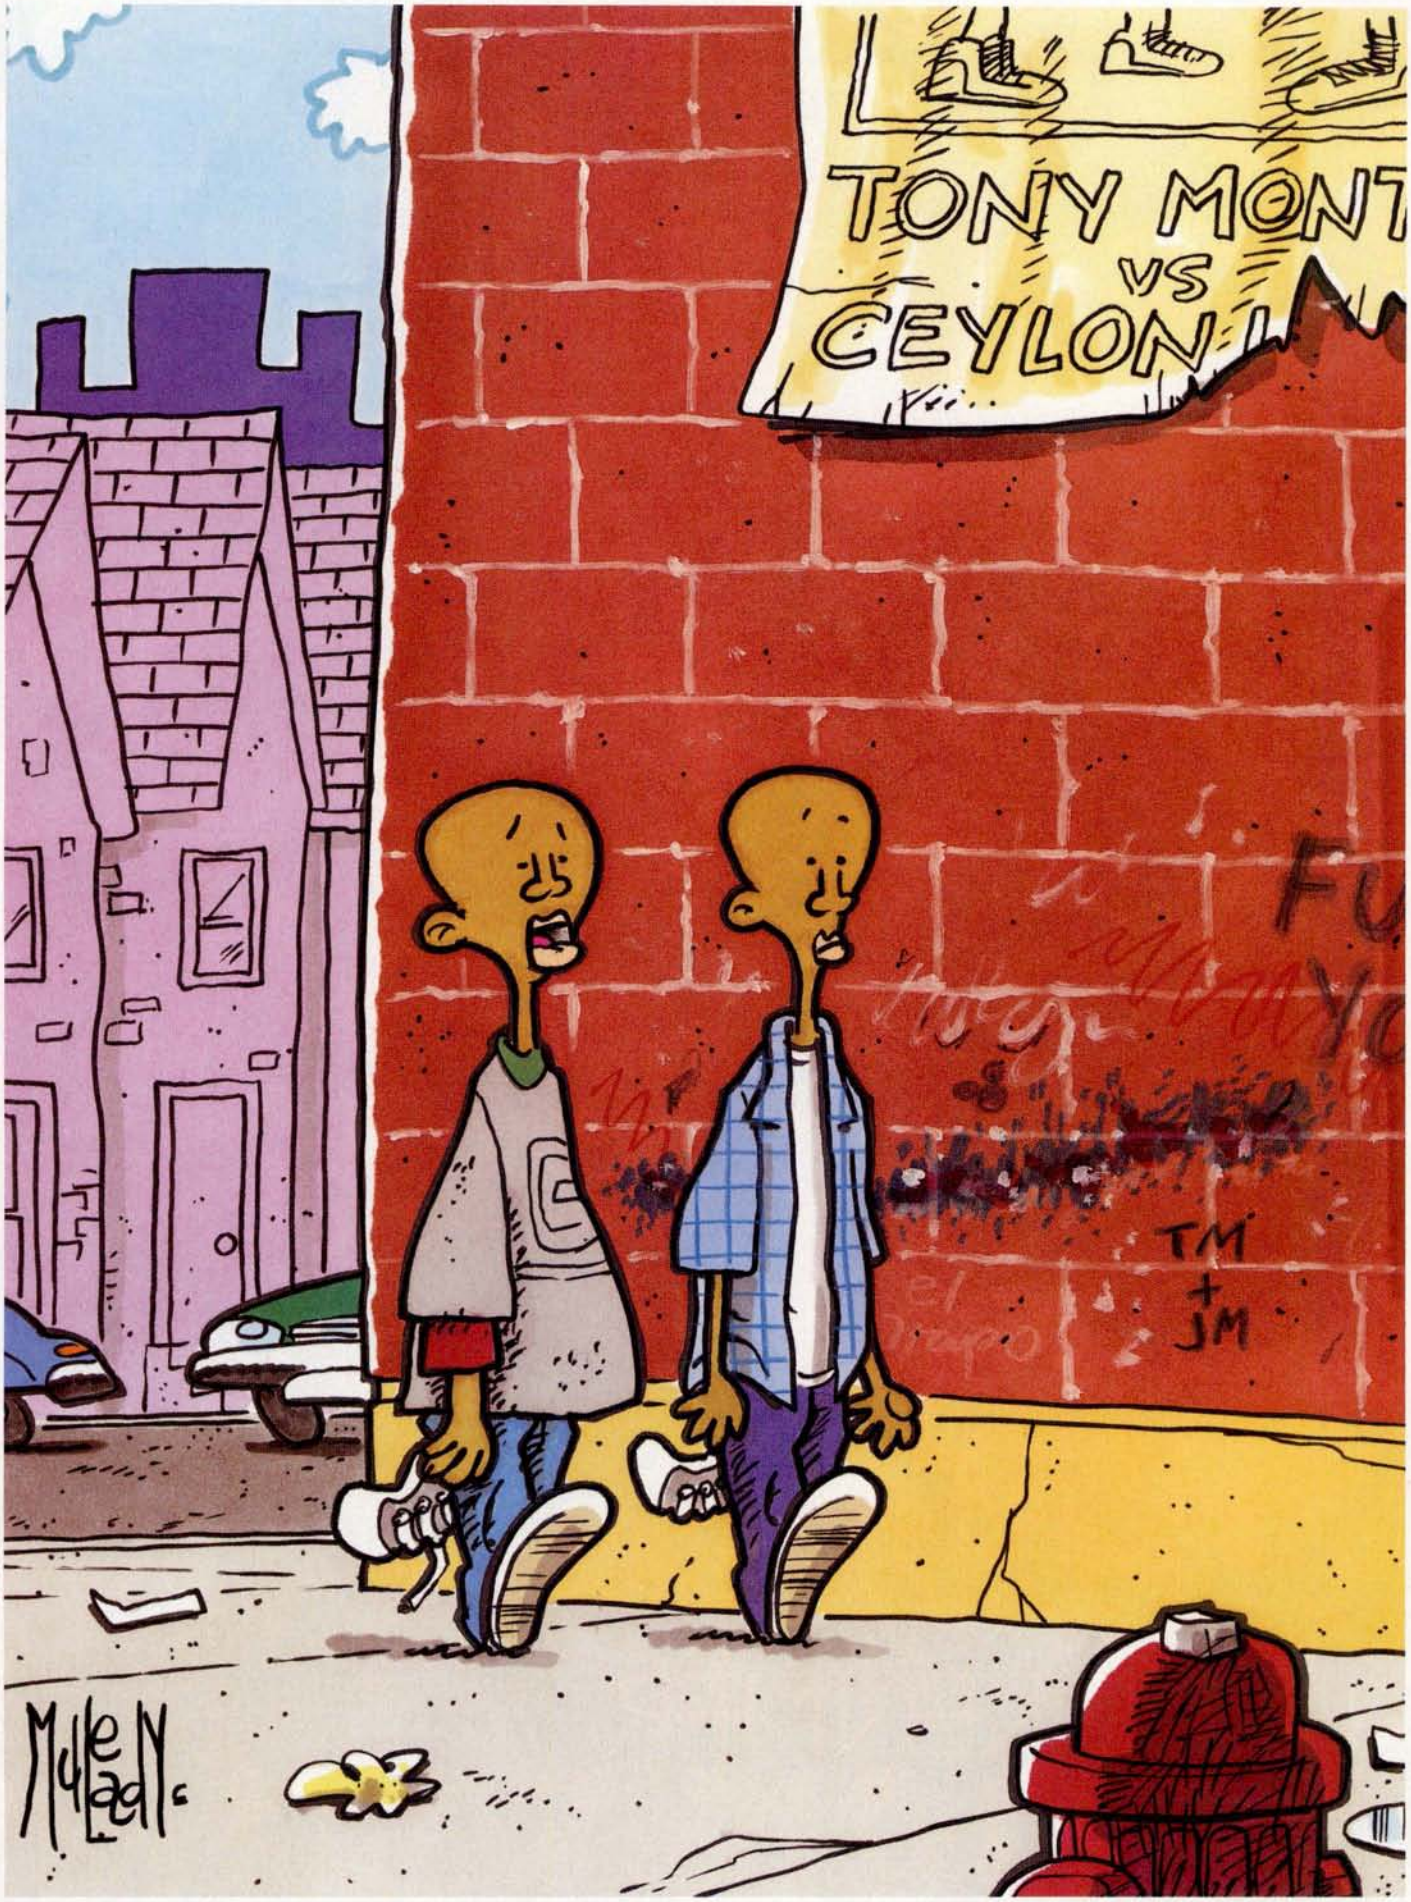
## IMPORTANT SEX TOURISM TIPS

- **Thai condoms tend to snap, and they're often too snug on Western men. Either take your own, or only buy the Western brands you're familiar with.**
- **Eye contact is serious business. If you meet a girl's eyes, even from across the street, it's considered intense flirtation.**
- **Other than paying the bar fee, payment to the girl is always on the back end of the transaction.**
- **Be kind, and tip for good service.**
- **No matter how sweet, beautiful or authentic the bar girl seems, never ever fall in love.**



*"If ya got a box there that says 'Bush can kiss my ass,' check it!"*



*"I'm worried about our African-American role models. Michael Jackson ain't black, Eddie Murphy ain't funny, and Al Sharpton ain't shit."*

RAPHY BY MICHAEL BISCO

A native of Los Angeles, Kinzie grew up in a conservative home, from which she promptly rebelled. "I quit high school at 15," she says. "I went on to get my GED. Why endure years of high school when you can get out with one test?"

A self-described "computer nerd," Kinzie says she loves going online, but claims she never downloads songs. "I don't do anything illegal like that," she winks. The 23-year-old also enjoys singing and hanging out in karaoke bars. "I'll stay there until 2:00 in the morning," she laughs.

When she's not crooning, the L.A. woman plays pool, a game she took up as a teen. "My dad owned a bar, he taught me how to play. I'm a real pool shark. I'll play the pants right off of you." You'll have to convince us to put them back on first, Kinzie.

# JENNA TALES

## ADVENTURES IN THE SKIN TRADE WITH JENNA JAMESON

What's up, guys? Once again, as I sit down to write this column, my life is a frenzy of activity. I barely have enough time to bang out this installment, but judging by the size of my mailbag, I realize how much you all look forward to my musings every month. I wouldn't want to disappoint my loyal fans; so to hell with fatigue—let's do it!

First off, you're going to be seeing a lot more of me soon—hope you don't mind! Over the last couple of months, I've been running from photo-shoot to photo-shoot. By the time you guys read this, you will have already seen me on the cover of HUSTLER and the adult-industry trade journal *AVN*. *FHM* also shot a five-page pictorial of me, and I granted an interview and photo-shoot to *Rolling Stone*. (I was also on the cover of *Penthouse* recently, as you probably noticed, accompanied by a layout of old photos that don't really reflect what I'm doing today.) The increased exposure is great, but I really need a break. If I don't get a massage soon, I'm going to turn into a hunchback. Any volunteers?

I have some rocking news. I've just teamed up with the Jackson guitar company to market a new line of Jackson clothing, accessories and even a skateboard. It's even more exciting because Jackson is based in Scottsdale, Arizona, where I live! I've always loved the sound of Jackson guitars; so I'm thrilled to help them out with their marketing campaign. It seemed like a natural progression, considering my long association with rock music. (Hopefully, you all caught my appearances in the videos for Eminem's "Without Me" and Korn's "Here to Stay.") Who knows? Maybe I'll start a band in the future. I've been told that I have quite a set of pipes.

VH-1 also released their picks for the *100 Hottest Hotties*. I came in at number 62 and managed to beat out Ashanti, Penelope Cruz, Christina Aguilera and Charlize Theron! I was pretty shocked because Charlize, in particular, is such a beautiful woman. She was in one of my favorite movies, *Reindeer Games*, with Ben Affleck. And, of course, it's so flattering to be recognized by VH-1.

One more interesting item: I just got two new puppies! I decided to name them Lola (like the showgirl in the Barry Manilow song) and Luna (like the moon). They are so cute, but they're just like little children. They follow me all over the house, begging for attention. I don't know what I'm going to do when I have to hit the road again. I suppose I'll have to take them with me. I can't possibly leave them at a kennel, because they're my kids, and they'd miss their mommy.

If there's anything you would like to see in the next installment of my column, don't hesitate to write to me. I love getting mail from fans all over the world; it makes me feel so good inside! Just drop me a line at:

## Campus Confessions #8

**Directed by** Kat Slater.
**Starring** Katsumi, Nikki Loren, Sue Diamond, Cynthia Pendragon, Lyla Lei, Malorie Marx, Pascal, Bret Rockman, Talon and Joey Ray.
**DVD and Videocassette:** HUSTLER Video.

Those who were prickteased by Katsumi's nonsex role in this series' previous installment will find sweet release with her blistering boink in *Campus Confessions #8.* The French fuck pixie goes nuts on woodsman Pascal's rod with a deep, fast blowjob that makes her entire scrumptious body wiggle. Her firm form is subsequently fucked hard in every position until Pascal glazes her face. Nikki Loren, a big-boned brunette with mouthwatering gazongas, gets freaky with blond pal Sue Diamond in a scorching lesbo romp that climaxes with a dildo-assisted shag. Shaftable redhead Cynthia Pendragon is more sophisticated than your average collegian, but packs a stunning chassis and handles cock like a pro. *Campus Confessions #8* unleashes a six-pack of cock-starved coeds who pass their orals with flying semen.

# In Deep With...Daisy

**On the set of Video Team's latest offering, *Driving Ms. Daisy*, their most recent contract girl and the titular star of the day, Daisy, lounges in the dark, seedy hallway of the studio. The cramped passageway is further occupied by a couple of crew members who are breaking into an office that they got locked out of (or so they claim). Amid the chaos of two guys hammering through the door frame and another one breaking the office window, the Latin stunner maintains a cheery disposition. She could easily be mistaken for a TV star, with her radiant eyes and infectious smile; she looks like she should be memorizing lines for a pilot episode instead of spending her nubile years dodging STDs from fellow industry performers. Daisy's dark, curly hair bounces merrily while her waiflike body traipses down the hallway and leads *Erotic Entertainment* into a room where her mind can be probed.**

**HUSTLER:** How long have you been in the business now?
***DAISY:*** I've been in for about a year and eight months.
**HUSTLER:** You just recently signed with Video Team?
***DAISY:*** Yes, in May I signed my contract with Video Team.
**HUSTLER:** This is your first contract?
***DAISY:*** Yeah.
**HUSTLER:** Did you shop around for a deal?
***DAISY:*** No, actually, I wasn't shopping around. This is something that just came up. One day I did a box cover for Video Team, for *No Man's Land*. They called me the next day, and we talked about contracting.
**HUSTLER:** Were you excited?
***DAISY:*** Yeah, I was excited, because I was kind of tired of working five days a week, and now I'm working less time and getting paid the same.
**HUSTLER:** Why did you get into porn?
***DAISY:*** At first, it was the need for money. And I like having sex.
**HUSTLER:** Did you begin by doing a nude magazine layout or a video?
***DAISY:*** It was an amateur video. I don't recall the company.
**HUSTLER:** Do you prefer the jizz biz, or do you have mainstream aspirations?
***DAISY:*** I would do both. I've never tried mainstream. I don't know if I could...I'd have to put myself to the test.
**HUSTLER:** Does your family know that you're involved in the adult industry?
***DAISY:*** My sister knows. My mom kind of knows because she sees a lot of my layouts and stuff like that, but they're okay with it. As long as I'm happy, they're happy.

**Happily Never After:** *Dascha and Briana look for their car keys.*

## Happily Never After

**Directed by** David Stanley.
**Starring** Briana Banks, Dascha, Sharon Kane, Michelle Michaels, Randy Spears, Eric Masterson and Mason Rivers.
**DVD and Videocassette:** Vivid Entertainment.

*Happily Never After* is a sly homage to sick-and-twisted situation porn with a huge payoff. Lamentably, the highly touted Dascha-to-Briana-Banks "foot disappearance" rushes by in an all-too-brief lesbo quickie. The video's storyline, which is akin to an X-rated *Brady Bunch*, involves Randy Spears's two sons and Sharon Kane's two daughters attempting to keep their parents from getting hitched. The plot quickly veers into perverted *I Love Lucy* territory when Briana hatches a crazy scheme. The German-born sex bomb's luscious watermelons are on display in scene after raunchy scene as she bones both brothers in turn. The video truly explodes in carnality, however, when Bri's mohawked, mopey sister, Michelle Michaels, finally opens wide for a blistering beef injection from her mom's fiancé. Will the family that lays together stay together? Pick up *Happily Never After* and find out.

—J. P.

## Strap-On Sally #22

**Directed by** Jim Gunn.
**Starring** Gina Lynn, Nikki Benz, Krystal Steale, Natascha Holland, Lisa Casablanca, Shauna Banks, Becky LeSabre, Alana Knight and Pantera.
**Videocassette:** Pleasure Productions.

A two-hour infomercial masquerading as a fuck flick, *Strap-On Sally #22* should come free with the purchase of a vibrator from Gina Lynn's new signature sex-toy line. The vid shamelessly plugs every single item bearing the busty blond megastar's name. Fortunately, a plethora of smoking-hot snatch gets plugged in the process. Nasty newcomers Natascha Holland and Lisa Casablanca audition for Gina by grinding on her brand-name, two-headed dildo, and to-die-for young brunettes Alana Knight and Becky LeSabre impress Gina with their kinky lesbo pounding. Further on, a trifecta of big-titted blondes—Gina, Nikki Benz and Krystal Steale—partake in a molten-hot threesome that will make hairy-palmed jerkoffs go blind in a white-hot flash of libido. Once the viewer's lap has dried, a spectacular gang-bang grand finale awaits. *Strap-On Sally #22* is a stroke of marketing genius.

—J. P.

## 100% Strap-On

**Directed by** Patrick Collins.
**Starring** Loni, Melody Max, Sandra Shine, Brittany Starr, Felecia, Sky Taylor, Nautica Thorn, Ava Vincent, Nikita Denise, Caroline Pierce, Katie Morgan, Ashley Marina, Mya Mason, Misty Mason, Mickey G. and Johnny St. James.
**DVD:** Elegant Angel.

Warning: *100% Strap-On* is accurately titled, but it ain't all-girl. The closing scene is a doozy, in which dark-haired dong-wielder Sky Taylor tackles two guys with her artificial equipment, ramming one dude up his shit-pipe. Further faggifying the proceedings, the corn-holee sucks on Sky's plastic pud both before and *after* the ass raid. But props to the filmmakers for not playing it safe, borderline swishiness notwithstanding; a stellar cast that's otherwise heavy on cunts stirs things up below the belt. The large ensemble is equally divided between jaded pros and nervous newbies. Persian hellcat Melody Max takes charge early on, whipping two porn-star wanna-bes into shape in an aggressively kinky threeway. Asian knockout Nautica Thorn likewise raises pricks with a mind-melting performance. Even so, most scenes are longer on gums-flapping than on chicks-with-dicks action, diminishing *100% Strap-On*'s boast considerably.

—J. P.

## Brainwash

**Directed by** Stuart Canterbury.
**Starring** Amythiest, Gina Ryder, Cailey Taylor, Gala Cruz, Skye, Allison Wyte, Hunter Young, Taylor Rain, Mariah Cherry, Africa, Evan Stone, Tice Bune, John West, Chris Cannon and Joel Lawrence.
**DVD:** Elegant Angel.

*Brainwash* boldly experiments with porn conventions. However, trial and error leads to a buttload of blunders, and this flick is no exception. The fractured, quick-cut fuck scenes might be a godsend for an ADD-afflicted stroker who also suffers from premature ejaculation, but they seem designed to drive everyone else mad. Amythiest, the foxy brunet heroine, is locked up in a loony bin while her mind is lost in an obscene fantasy world. The viewer's mind, however, will merely wander out of boredom. A promising prison-shower scene with four delectable young honeys—including freckled, barely legal redhead Allison Wyte and perennial tent-pitcher Taylor Rain—goes nowhere fast. The nonsex snatch of hot flesh offers a blink-and-you'll-miss-it, blueballs-inducing glimpse of the sack-draining stroke flick that might have been. Instead, *Brainwash* is a jittery montage of smut that never focuses on fucking.

—J. P.

**Under the Influence:** *Venus took a Learning Annex class for this.*

**Under the Influence:** *Victoria: "Whew! Sorry about that; I had Mexican last night."*

**Pin Ups:** *Stormy does her part for her country.*

**Pussy Off Limits:** *Lauren: "So I went shopping today and—Mmph!"*

## Under the Influence

**Directed by** Roy Karch.
**Starring** Nikita Denise, Venus, Sindee Coxx, Kiki D'Aire, Victoria Givens, Steve Hatcher, Chris Cannon and Tyler Wood.
**Videocassette:** Adam & Eve Productions.

What were the makers of *Under the Influence* smoking? Smut is pretty hard to fuck up. Like automatically scoring a 400 on your SATs for writing your name down, stroke flicks are no-brainers, so long as they stick it in the hole, any hole—with bonus points for butt play. However, not even the sight of chestnut-haired sexpot Venus surrendering her chocolate starfish improves this effort. All of the ginches simply go through the motions with no attempt to turn up the heat. Not to fault nominal star Nikita Denise, who actively participates in just two scenes. The voluptuous, brunet bad girl has earned her rep as a world-class rectal wonder in countless other films, which only makes this unspectacular starring vehicle more of a letdown in comparison. With so much stiff competition for your XXX dollar, scrambled cable porn looks to be a better jerkoff option than the flaccid sex of *Under the Influence.*

**—J. P.**

## Ass Brand New

**Directed by** Pat Myne.
**Starring** Trinity, Katrina, Nautica Binz, Elizabeth Heeps, Justine Slayer, Robyn Parker, Satine Diamond, Chris Mountain, Jon Dough, Joey Ray and Dave Hardman.
**DVD and Videocassette:** Metro, Inc.

*Ass Brand New*, a ball-draining combination of sizzling sluts, blistering sex and frequent ATM action, will leave raincoaters craving a second installment. The girls presented here are unapologetic about their craving for cock. Raven-haired schoolgirl Trinity, with butt plug firmly entrenched in her colon, reaches for Joey Ray's love gun with gusto. Halfway through her scene, she removes the toy and sucks it clean while Ray plugs her gape with his ramrod. Black butt-beauty Nautica Binz rubs her eraser-sized nipples before Dave Hardman (doing his best impression of Kool Moe Dee) sticks his massive tube steak up her shit-pipe. Director Pat Myne should be congratulated for doing a fantastic job of eliminating man-ass from the frame. While overly talkative tramp Justine Slayer is an annoyance, *Ass Brand New* is worth owning solely on the merit of Satine Diamond spreading her asshole wide enough to park a Yugo.

**—Stewart Wallace**

## Pussy Off Limits

**Directed by** Pat Myne.
**Starring** Faith Grant, Esther Hobbs, Victoria, Maggie Star, Allura Bond, Justine Slayer, Lauren Phoenix, Ariana Jollee, Laura David, Lee Stone, Ronald Rose, Ben English and Dick Delaware.
**DVD and Videocassette:** Metro, Inc.

*Pussy Off Limits* is a grab bag of scrotum-draining talent shot in vignette style. Celebrated swordsman Ben English gets his knob polished by tandem trollops Victoria and Maggie Star prior to pounding their poopers with his weapon of ass destruction. A performance by blond *über*-whore Lauren Phoenix is inspirational. Her meaty rump flesh appears as if it's been inflated by gallons of man-milk sloshing inside her sphincters. Phoenix spreads her sweet cheeks before enduring a face-fuck courtesy of Dick Delaware. Plenty of ATM action occurs between thrusts as Phoenix squeals like a girl posessed. Ariana Jollee likewise proves she's a force to be reckoned with when she inserts a butt plug the size of an infant's head up her browneye. Lee Stone's incredible bendable boner goes to work shortly after Jollee primes her shit-pussy. *Pussy Off Limits* is a must for those who crave crap-hatch mayhem.

**—S. W.**

## Pin Ups

**Directed by** Michael Raven.
**Starring** Julia Ann, Jessica Jaymes, Bella Star, Charlie Lane, Harley Davis, Justine, Bianca Pureheart, Sasha Monet, Katarina McKenna, Stormy, Nicole LeShell, Randy Spears, Chris Cannon, Scott Styles, Eric Masterson and Talon.
**Videocassette:** Wicked Pictures.

Cheesecake girls come to life in this collection of stylized segments directed by auteur Michael Raven. *Pin Ups* begins with a voice-over relating the discovery of a book on the history of the pinup girl following the passing of a family member. (Yeah, we're confused too.) As the faceless horndog narrator flips through the photos, he fantasizes about the glamour sluts leaping off the pages. Top-heavy blonde Julia Ann gets her labes licked courtesy of private dick Randy Spears in a pup-tent inducing scene. Retro-gal Stormy slurps her soldier boy's shaft and gladly spreads her meat curtains for a proper rogering on the hood of a vintage Jeep. The pop-shot blast that coats her sunglasses is priceless. Although beautifully shot, the sex in *Pin Ups* is more akin to Andrew Blake than Max Hardcore; so don't expect anything beyond straightforward couples fare.

**—S.W.**

**Ass Brand New:** *Satine Diamond loves the taste of latex in the morning.*

**Pussy Off Limits:** *Lauren: "You think this looks easy? You try cramming a 12-inch cock up your ass."*

**Ass Brand New:** *When she retires, Katrina's career as a contortionist is assured.*

**Pin Ups:** *Jessica Jaymes grabs the tip—literally.*

# ON THE SET WITH BRITNEY FOSTER

**Most porn actresses turn to directing as a backup when their looks fade and their tits sag. Such is not the case with the decidedly nubile Britney Foster who, after entering the XXX biz in late 2002 and starring in a handful of flicks such as *Six Degrees of Penetration* and *Search and Destroy #1*, now directs as well as acts. For her latest project, the all-girl fuckfest *Disturbed*, the busy gal enlisted the help of some of today's hottest sluts for a wild poop-pit romp. *Erotic Entertainment* visited the set to get to the bottom of Foster's O-ring obsession.**

**For the first scene, Britney orders Belladonna to lie spread-eagle at the top of a staircase. The gap-toothed sexual hellion strokes her slit with a glass cock. Britney sends Ashley Blue into the mix, presenting her to Belladonna as if she were first prize at a county fair ringtoss. "Doesn't she have a nice ass?" Britney asserts. Belladonna smiles in lascivious agreement and dives straight into Ashley's pussy. There is no written script for *Disturbed* and, while directing, Britney appears racked with temptation to fuck the female talent herself. After Belladonna and Blue drill each other to a frothy climax, the helmswoman sits down for a penetration of the mental variety.**

**HUSTLER:** What made you decide to start directing?

***BRITNEY:*** My fiancé is [woodsman] Pat Myne. He's a director, and I was his production manager. [Myne] had two movies scheduled at the same time. He said, 'I know you want to direct; so why don't you direct this?' The movie was *Teens in Toyland*. I really enjoyed it.

**HUSTLER:** Are you looking to raise the bar in all-girl porn?

***BRITNEY:*** Yeah, that's what I'm doing.

**HUSTLER:** How far do you want to take it?

***BRITNEY:*** With fistings, all anal. Every girl in my movie does anal, DPs, ass-to-mouth—and not just ATMs like out of your ass to your own mouth, but out of your ass to her mouth and vice-versa.

**HUSTLER:** Do you want to continue performing in every scene that you direct?

***BRITNEY:*** Yeah, that's what's so hard for me. I love women, and I want to be in every scene. I just want to use them and send them home.

**HUSTLER:** You seem to prefer spontaneity over scripts.

***BRITNEY:*** I can't write scripts. If you can write a script, then you're not making porn, you're making movies. I go in with some ideas, but they're not written down. My ideas are very simple: "Here were are, with our glass dildos."

**HUSTLER:** Are your girls actually coming in your scenes?

***BRITNEY:*** None of it's acting at all. I know what it feels like to be on the set as a woman and feel uncomfortable with the director. And that's another reason why I wanted to step up and direct my own line. I want the girls to come on-set and totally feel comfortable. I want them to walk around nude and shake their asses and suck each others' boobs instead of feeling like they have to sit there and be shy, or that they're gonna be harrassed by male talent. A lot of my girls even want to stay after their scenes, because they have fun.

**Foster (left) and Belladonna, cheek-to-cheek.**

**Amateur Angels #13: The Anal Edition:** Lainey works off her debt to her interior decorator.

**Out Numbered:** Angelica is obviously quite proud of her first D.P.

**Gonzo: The Feature:** Chloe has a leg up on the competition.

**Out Numbered:** Viktorie and Rady, future Laker Girls?

**Gonzo: The Feature:** Aria: "Nice going. You completely missed my tongue."

**Amateur Angels #13: The Anal Edition:** Alaura, shocked by her father's surprise trip to the set.

## Gonzo: The Feature

**Directed by** Chloe.

**Starring** Julie Meadows, Tawny Roberts, Chloe, Aria, Lezley Zen, Randy Spears, Mark Davis, Tice Bune, Evan Stone and Steve Hatcher.

**Videocassette:** VCA Pictures.

In this parody of the adult industry, Evan Stone portrays a first-time director hoping to break into the biz with a new-and-improved take on gonzo. In his enlightened state he and his assistant (Julie Meadows) plot to kidnap blond jizz queen Tawny Roberts and convince her to star in his XXX flick. As with most films of this genre, the vaguely comical dialogue in *Gonzo: The Feature* becomes tiresome. Fortunately, a groin-bloating cast of cum-depraved nymphs makes Evan Stone's over-the-top goofiness palatable. In one scene, Aria savagely attacks Mark Davis's manhood like a bitch possessed, literally foaming at the mouth; her oral appreciation for dick is surpassed only by her cravings for a meat-spliff up the pooper. Lezley Zen intensely piledrives her strap-on into Tawny Roberts's slit, and Tawny returns the favor by vibrating Zen into a shuddering climax. All in all, *Gonzo: The Feature* yields quality smut.

**—S. W.**

## Out Numbered

**Directed by** Eric Everhard.

**Starring** Rady, Viktorie, Sarah Blue, Julie Silver, Anastasia Christ, Jany, Vanessa, Tera Joy, Nika, Jennifer, Elis, Claudia Rossi, Tereza, Angelica, Sandra Mark, Veronika, Alena, Steve Holmes, Eric Everhard and Robert Rosenberg.

**Videocassette:** Red Light District.

With a cast of only three dudes and 19 horny honeys, *Out Numbered* gloriously lives up to its title in spite of the Euro-trash factor. Why is it that girls from the Czech Republic have a proclivity for performing some of the nastiest sphincter-stretching scenes ever captured on video? Perhaps we'll never know. Regardless, the three cornhole caballeros—Steve Holmes, Eric Everhard and Robert Rosenberg—have their hands full of rectum. *Out Numbered* sizzles with such intensity that it's actually difficult to concentrate on any one particular trollop; it positively makes the head spin. If you can dream of a new way to violate a group of whores, it has probably already been covered on this tape. *Out Numbered* will provide raincoaters with hours of zipper-busting scenes with some of the hottest Czech and Hungarian slatterns willing to go the extra mile for your viewing pleasure. **—S. W.**

## Amateur Angels #13: The Anal Edition

**Directed by** Luc Wylder.

**Starring** Alaura Eden, Ana Nova, Anika Fox, Lainey Baron, Rhiannon, Li'l Bit More, Anthony Hardwood, Benjamin Brat, Barret Blade, Dick Delaware, Dick Nasty and Mario Rossi.

**Videocassette:** Adam & Eve Productions.

*Amateur Angels #13: The Anal Edition* opens with cutie-pie Alaura Eden granting a revealing, if overlong, interview with Mario Rossi, the dude she's about to spread her thighs for. Who knew that, after her time's up in the jizz biz, the dark-haired vixen wants to become a designer? Furthermore, who cares? Luckily, when the fucking commences, Rossi wastes no time grabbing a handful of Eden's succulent ass and perky milk-pillows. Eden then demonstrates her highly effective pole-smoking technique before mounting meat stick in her pussy and brown starfish. Relative newcomer Lainey Baron gets her crap hatch stuffed to the balls by Anthony Hardwood's immense tool. The blond slut gets pounded within an inch of her life and loves every minute of it. With a young cast as hot as the blistering sex, *Amateur Angels #13: The Anal Edition* is purely devilish.

**—S. W.**

## FELIX AND

When Felix's creaky old lemon broke down, her only consolation was that it petered out near a phone booth. She was still on the line with AAA when Sergio arrived to lend a helping hand; the bad news was that he wanted 100 bucks up front. The leggy babe didn't have any money on her, but the greasy fast-talker informed the stranded motorist that he also accepted poontang as payment.

Xandria COLLECTION
Sex Toys!
...because everyone deserves a great sex life.
How good are you in bed?
Imagine if you were better.
A new technique. A new toy. Often it only takes the most basic vibrator to make the difference between not quite getting her there and sending her over the edge, or to transform singles into multiples.
Because the simple truth of the matter is that however good you are now, there's always something you can add that will make you even better.
We carry over 1,000 toys, books, videos, and other erotic items designed to help you discover exactly what turns her on, heightens her pleasure, and sends her over the edge.
And if she's happy, you're going to be very happy.
Plus, toys are also fun for men. After all, it's about your pleasure, too.
For over 30 years, we've been providing quality adult items along with our **100% Guarantee of Privacy, Quality, and Satisfaction.** Unlike most other adult products companies, all transactions with us are strictly confidential—we'll never sell, rent, or trade your name to anyone for any reason. And our 60-day satisfaction guarantee ensures that you'll always be pleased with your purchases.

**NU BREAST ULTRA ENHANCEMENT CREAM FOR WOMEN:**
**2 oz. Jar Reg. $59.95**
***SPECIAL OFFER! Only $30.00 each***

Viagra is a registered trademark of Pfizer Co.

## HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

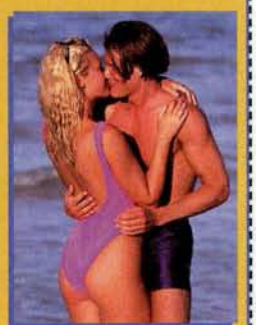
In a couple of weeks the change will be the width of your penis and longer lasting erections. After a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. After the third month a very noticeable change, not just in size, but your penis will look firmer, stronger than you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

## HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between an 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

## WHAT WILL PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 5 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time.



## WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

## LETTERS FROM SATISFIED CUSTOMERS

**You have a real winner.** I'm 8 inches and much thicker. My girl friend wants it all the time She doesn't know how I did it. *-LD, Nevada*

**Science is fantastic.** I always felt I needed to be bigger. You made it possible. My wife is thrilled. She is as satisfied as I am. *-GL, Florida*

## REAL DOCTORS, REAL SCIENCE, REAL RESULTS!

# DOES YOUR *SIZE* REALLY MATTER TO YOUR LOVER?

## *MORE THAN YOU CAN POSSIBLY IMAGINE!*

## BUT YOUR *PENIS ENLARGEMENT METHOD* MATTERS EVEN MORE!

***PENIS ENLARGEMENT BREAKTHROUGH:*** The MAGNA-RX+ Penis Enlargement System is absolutely the easiest and fastest doctor-recommended way to *add 2", 3", even 5" of pure manhood* to satisfy your lover like never before! In just a few short weeks, you'll be amazed as you watch your penis grow into the biggest, thickest, hardest one she's ever had, and the one she'll remember forever and ever! No penis enlargement system or pill is easier to use, works faster, or is more effective than the MAGNA-RX+ Penis Enlargement Formula – ***GUARANTEED!***

### ORGASMIC THRUST ACTIVATION

Only **MAGNA-RX+** contains the exclusive, trademarked *Orgasmic Thrust Activation Process*. This factor alone would make **MAGNA-RX+** the most powerful **Penis Enlargement Formula** available at any price. Not only do men report amazing increases in penis length and thickness, but they are also equally delighted by the sheer intensity and concentrated power of their orgasms – as are their very satisfied lovers!

### WORLD'S #1 PENIS ENLARGEMENT FORMULA AND STILL GROWING!

In the past 12 months, demand for **MAGNA-RX+** has exploded worldwide as word of mouth spreads about what many medical experts have called the world's most powerful **Penis Enlargement Formula.** In one of this country's state-of-the-art pharmaceutical laboratories, under **Dr. Aguilar's** unwavering direction, a dedicated team of biochemists has meticulously worked around the clock to produce enough of **MAGNA-RX+'s** proprietary, all-natural botanical formula for men, just like yourself, who want a bigger, thicker, more energetic penis fast!

### WHAT RESULTS CAN YOU EXPECT?

Use the **MAGNA-RX+ Penis Enlargement Formula** daily for three to five weeks (one potent pill a day is all you need), and:

- *You'll increase your penis size by two to five full inches as well as becoming thicker and fuller*
- *Your confidence level and self-esteem will soar as you satisfy your lover like never before*

### NOTHING ELSE TO BUY EVER AGAIN!

**MAGNA-RX+** is so powerful, so effective, so complete, *we 100% guarantee that you will NEVER have to purchase any more than the 120-day supply included in this special offer.* We could easily make **MAGNA-RX+** much weaker and then ask to automatically re-bill your credit card each month for the next two months, like some companies. We focus on getting the best results, as quickly as possible. That's the secret of our success! With **MAGNA-RX+,** you can skyrocket 2", 3", even 5" in 60 days or less – *with nothing else to buy ever again!*

### BUY ONE, GET ONE FREE – SAVE $60!

If you're ready to become the biggest man you can be, then order your supply of **MAGNA-RX+** today. See for yourself, what thousands of satisfied men (and their lovers) have already discovered: **MAGNA-RX+** is the world's #1 best-selling **Penis Enlargement Formula** for one very simple reason: *IT WORKS & NOTHING ELSE CAN COMPARE!*

Need another reason to try **MAGNA-RX+?** *How about 50% OFF our regular price!* **MAGNA-RX+** normally retails for $59.95 for a 60-day supply, but if you order now, ***we'll include a second two-months supply absolutely FREE!*** *Imagine being able to increase your penis size up to five full inches for less than a 50¢ a day!*

### WHAT SOME OF OUR SATISFIED CLIENTS HAVE TO SAY:

"I've been using your product for two months... I've increased my length from 6" to nearly 8-1/2". Your product has helped me give a little extra..." *–W.B., Washington, D.C.*

"I was amazed at how effective it was at increasing length and girth from 5" to 6-1/2" in just three weeks!" *–V.W., Illinois*

"My girlfriend loves the results, but she doesn't know what I do. She thinks it's natural, so help me!" *–T.M., Oklahoma*

"I'm too shy to tell the whole world, but I don't mind telling you that... I went from 3-1/2" to 6". I'm trying for even more." *–R.C., South Carolina*

*ALL LETTERS ON FILE*

### THE *MAGNA-RX+* DOCTOR

The genius behind **MAGNA-RX+** is **George Aguilar, MD,** a *Board Certified Urologist* who has treated over 70,000 patients with erectile problems. He is a member of both the *College of Urology* and the *Society of Urology,* and the director of 46 urologists. He is also past-president of his *State Society of Urologists.* Over years of research and testing, **Dr. Aguilar** made the amazing discovery that is now known as **MAGNA-RX+:** a powerful, 100% natural, **Penis Enlargement Formula.**

# TECH KNOW

## Better living through gadgets.

by Michael Allen

### Dick Tracy 2004

Long before every kid had a cell phone or was even allowed to use the phone, two-way radio wristwatches were all the rage, at least in the funny pages. Recalling the days of Dick Tracy, the Audiovox GMRS200W is a new two-way radio wristwatch with a two-mile range. The high-tech ticker boasts 22 channels of frequency, works off rechargeable batteries, and includes an LCD screen and interchangeable wristband. This little gadget is perfect for catching criminals like Pruneface, or simply telling the prune face you're married to that you need a few more minutes in the bathroom alone with the latest HUSTLER. Go to **www.Audiovox.com** or call **(800) 645-4994**. Remember, you have to buy two of them, or you'll be talking to yourself.

### Singin' in the Shower

Do you prefer to warble your favorite tunes in the privacy of the bathroom, far from your fellow humans? First of all, thank you. Secondly, meet the CD Shower Companion, a water-resistant device that can be hung from the showerhead or a curtain rod, and plays all CD formats (including CD-RW and CDs encoded with MP3 music). It also has an AM/FM digital tuner and doubles as an alarm clock outside the shower. Best of all, the control buttons are easy to push if your slippery fingers are covered in soap. You can find the CD Shower Companion at Sharper Image stores, at **www.SharperImage.com** or by calling **(800) 344-4444**.

### One for the Road

When you take your family on your next summer vacation (a/k/a road trip from hell), be sure to bring along Audiovox's spiffy new entertainment center to pacify your bored passengers. The Audiovox VOD 806 video system attaches to the roof of your vehicle and hooks up to the power system just like a radio. This drop-down wonder features a built-in DVD player, TV tuner, an eight-inch screen and an A/V input for gaming systems. To ensure that your kids don't drive you crazy with incessant noise from their video games, this system also includes a transmitter for wireless headphones. To find out more, go to **www.Audiovox.com** or call **(800) 645-4994**.

### Here Comes the Sun

The sundial has been around for centuries, but who the hell knows how to read one these days? Enter the new Digital Sundial. Designed and built in Germany, it looks just like a digital clock, but operates without electricity and has no moving parts. Sunlight filters through two "masks" in the shape of numbers that show the current time of day. The solar-powered clock updates its display every ten minutes during daylight hours. You can either mount it on the window or a tabletop. To order yours, turn on that electrical thingamajig called a computer and go to **www.DigitalSundial.com**.

### Pod People

The iPod has become one of the most popular electrical devices since the vibrator, and now the folks at Apple have come out with a smaller version of this musical marvel: the iPod mini. This tiny music box weighs just 3.6 ounces, is smaller than a cell phone and can hold up to 1,000 songs. Available in five colors—silver, gold, pink, blue or green—the iPod mini is able to transfer a song per second from a Mac or Windows computer using a Firewire or USB 2.0 connection. In short, it's the RIAA's worst nightmare. How can you resist? To order yours, go to any Apple store, **www.Apple.com**, or call **(800) MY-APPLE**.

HUSTLER ON CAMPUS

# ADMINISTRATION REJECTS PENETRATING SCREENPLAY

Report from New York University
by Nils I. Palsson

PHOTO BY GARY HE

Carmicino reflects on her ordeal.

Last October, officials at New York University's Tisch School of the Arts denied film student Paula Carmicino permission to shoot her proposed project. Carmicino, 21, a junior, sought to include sexual intercourse in her film.

Carmicino was assigned to shoot a five-minute film with a topic of her choice. Interested in juxtaposing raw sexuality in private with censored behavior in the public sphere, she set out to depict the concept artistically in a short film entitled *Animal*, which she planned to shoot in an NYU studio.

Her professor, Carlos de Jesus, approved, and two actor friends volunteered to have sex in front of the 24-student class, but de Jesus decided to run the idea by his department head. Four days prior to the filming, the administration pulled the plug on the project.

School officials cited a longstanding, unwritten policy by which student films must adhere to Motion Picture Association of America standards, with nothing more explicit than R-rated fare. In response to Carmicino's project, Tisch administrators officially added those standards to the school's department of film and television handbook.

PHOTO BY NILS I. PALSSON

NYU's campus is currently abuzz with talk of censorship, artistic freedom and where to draw the line. Klara Bevanda (pictured at left), an 18-year-old freshman, is critical of the school's decision. "We're paying a lot of money to go to this school to supposedly express ourselves," she says. "If nobody was being harmed, and if nobody's being offended, then [Carmicino] should be able to do what she wants. People think of sex on film, and they only see it as porn; they refuse to see the artistic side of it."

"Having already seen two of her studio projects, I felt that she was a student with a lot of integrity," notes de Jesus, who met with administrators to defend his student's project. "Not to actually have the sexual penetration would go against the grain of the theme of her project."

In order to reveal contrasting public and private behavior, the film would have alternated between 30-second clips of raw, unbridled lust and mundane, everyday activities, such as watching television and reading a newspaper. In Carmicino's view, the university ironically censored a film about self-censorship.

"We encourage students to express themselves and explore," counters film and television department chair David Irving, "but there are certain boundaries."

Although NYU administrators encouraged her to pursue her filmmaking desires outside of class, Carmicino believes that something would be lost in translation. "The purpose of going to a film school is to get feedback from classmates," she asserts, adding that the $42,000-per-year tuition should afford her some artistic freedom.

The woman who actually pays said tuition, Theresa Carmicino, stands behind her daughter's scandalous project: "I'm thinking that I'm sending my daughter to a liberal school that encourages creativity, but they're telling her what she can and cannot do."

Other students, who had been looking forward to the film, were shocked by the administration's ruling. "I was upset and confused," laments Tisch sophomore Jenn Wright. "It seemed ridiculous because we should have the freedom to express ourselves fully."

With only four days left to make an alternate film, Carmicino decided to satirize censorship. "I had two actors talking on camera," she offers, "but I bleeped out every single word they said to pose the question, 'How far will censorship go?'" The film led to a heated, hour-long discussion among those in the class.

According to a statement released by Tisch spokesman Richard Pierce, community outcry against the new rules has led officials to formally solicit feedback from students and faculty members.

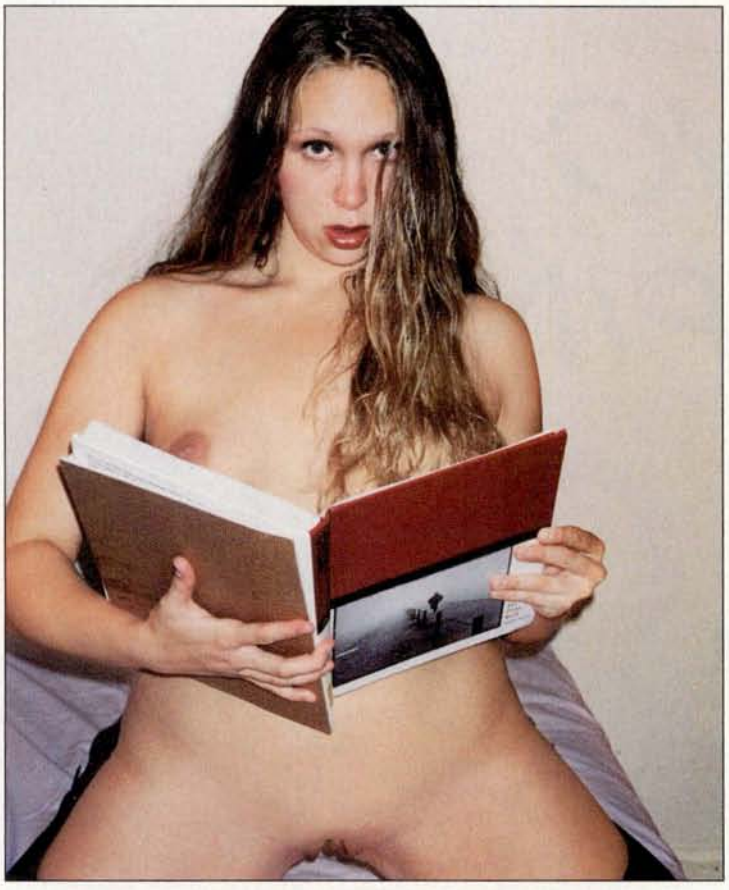
HUSTLER UNIVERSITY

## CHEXIE

Chexie, 27, is a sophomore at **Dover Technical and Community College** in Dover, Delaware. The computer engineering/computer network engineering major maintains an impressive 4.0 GPA. Outside the classroom, Chexie enjoys dancing, working out, drawing and traveling. Her carnal ambition is to one day "have sex in a police car."

—Photo by Husband



A 24-year-old criminal-justice major at **Bristol Community College** in Fall River, Massachusetts, Gigi doesn't let upholding her 3.5 GPA detract her from her extracurricular activities such as playing pool and hanging out with her kids. The scholarly siren's future plans include becoming a corporate lawyer. Gigi's most memorable sexual encounter on campus has been "having sex in the boys' bathroom at school." This is the type of counsel we'd love to be cross-examined by.

## AMATEUR PHOTO/VIDEO CONTESTS
## $5,000 IS UP FOR GRABS

Guys, we need you to be HUSTLER's campus point men in our ongoing search for new, untapped Beavers. Do you know gorgeous college students who are over 18 years of age? We're looking for readers to recruit babes for the *Real College Girls* division of *Beaver Hunt*. The process is easy; just snap a couple of clear, sexy—the more explicit the better—photographs (digital shots are cool too, as long as they're high resolution and printed on photo-quality paper). Send them to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every female whose picture sees print will receive a $350 honorarium, as well as a slot in HUSTLER's 2004 *Beaver Hunt* competition and a chance to appear in the video version of *HUSTLER's Real College Girls*. Finalists score $1,500 each, and the Grand Prize winner will appear in a HUSTLER photo-feature and earn $5,000. The photographer of the Grand Prize winner scores $500, and the Finalists' photographers earn $250. All photographers of models appearing in *Real College Girls* receive a one-year subscription to HUSTLER. Ask the girls to fill out the model release below, and include copies of two legal forms of ID and a current college ID. The model's photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of L.F.P., Inc. No essays are required, but if your model can come up with something sexy, tell her to knock herself out.

## MODEL RELEASE/ENTRY FORM

To enter *Real College Girls* you must be 18 years of age or older, and you must fill out and send this release and copies of two forms of ID, one with photo (i.e., driver's license, passport or photo ID issued by state). Second ID can be a birth certificate, Social Security card, credit card, marriage certificate or immigration card. One ID must include your date of birth, and one must include your signature. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of L.F.P., Inc., which buys all rights in perpetuity to photos and videos we purchase. Win $350 if we publish your photo, or $500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth $5,000. Send photos, videos, IDs and release to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. **Contest not open to residents of Arizona.** Void where prohibited. No purchase necessary.

**Model's name**

**Any alias, nickname, stage or pro name**

**Name to be published**

**Date of birth** **Phone** (include area code)

**Model's Social Security number**

**Address**

**City** **State** **Zip**

**Personal e-mail address** **Occupation**

**Major** **College** **Year** **GPA**

**Best sexual experience in college** (include separate sheet if necessary)

**Model's legal signature** (use separate sheets for more than one model) **Date** (month/date/year)

***Warning: Anyone signing this release form other than the model will be subject to monetary damages and/or criminal prosecution. I declare under penalty of perjury that all of the information I have given above is true and correct.***

***Note: Prize money sent to model only.***

In consideration of $350 for photographs or $500 for a video, I grant to L.F.P., Inc. all rights of every kind whatsoever, whether now known or unknown, exclusively and perpetually, in any submitted photographs of myself [the "Images"]. Without limiting the generality of the foregoing, and in addition thereto, I further grant to L.F.P., Inc., and its affiliates and assigns, the following perpetual and exclusive rights: (1) to copyright, copy or reproduce, by any present or future means, all or any part of the Images; (2) to exhibit, sell, assign and transmit, and license others to do so (whether by means of still photographs, magazines, newspapers, radio, television, televised motion pictures, videodiscs, videocassettes, videotapes, computer, CD-ROM, Internet transmission or any other means now known or unknown) any or all of the Images; (3) to use the Images in connection with advertising as well as for commercial exploitation, including, without limitation, in magazines, newspapers, books, one-sheets, flyers, catalogs, and covers or wrappers of recordings, discs, CD-ROMs, tapes and/or cassettes, and in connection with the sale of any by-products or merchandising; (4) to use the Images, or any parts thereof, as a portion of a motion picture or other work (and for the advertising thereof) and in connection with the sale of any by-products or merchandise relating thereto, and to reproduce and/or transmit the same by and in any and all media; and (5) to edit, add to, subtract from, arrange, rearrange, distort and revise the Images in any manner as L.F.P., Inc. may, in its sole and complete discretion, determine, from time to time. I certify that I was 18 years of age or older at the time my photographs and/or video footage were shot, and that I am of full age and am possessed of full legal capacity to execute the foregoing authorization.

WIN $350

# Game On

**Grab your joystick; HUSTLER plugs you into the latest video games.**

by Gus Mastrapa

## Driv3r
**Atari (PlayStation 2/Xbox)**

As Tanner, the undercover cop and "wheelman" in ***Driv3r***, players must use their motoring skills to bust an international car-theft ring. This update of the best-selling ***Driver*** and ***Driver 2*** puts gamers in the seat of more than 50 vehicles (including motorcycles, muscle cars and semi-trucks), all of which realistically crash, smash and crumple with every collision. Photo-realistic re-creations of Miami, Nice and Istanbul provide the settings for the international vehicular mayhem.

## *Onimusha Blade Warriors*
**Capcom (PlayStation 2)**

Swords swing and blood flies when up to four players duke it out in ***Onimusha Blade Warriors***. The ***Royal Rumble***-esque action is a slight departure from the traditional, story-driven style of the ***Onimusha*** series. This time around, it's all about the melee. The skirmishes are fast and fierce, taking place in dynamic settings that change with the ebb and flow of the brawl. Skilled samurai are rewarded with flashy hits and take-downs; so brush up on the Bushido.

## Firefighter F.D. 18
**Konami (PlayStation 2)**

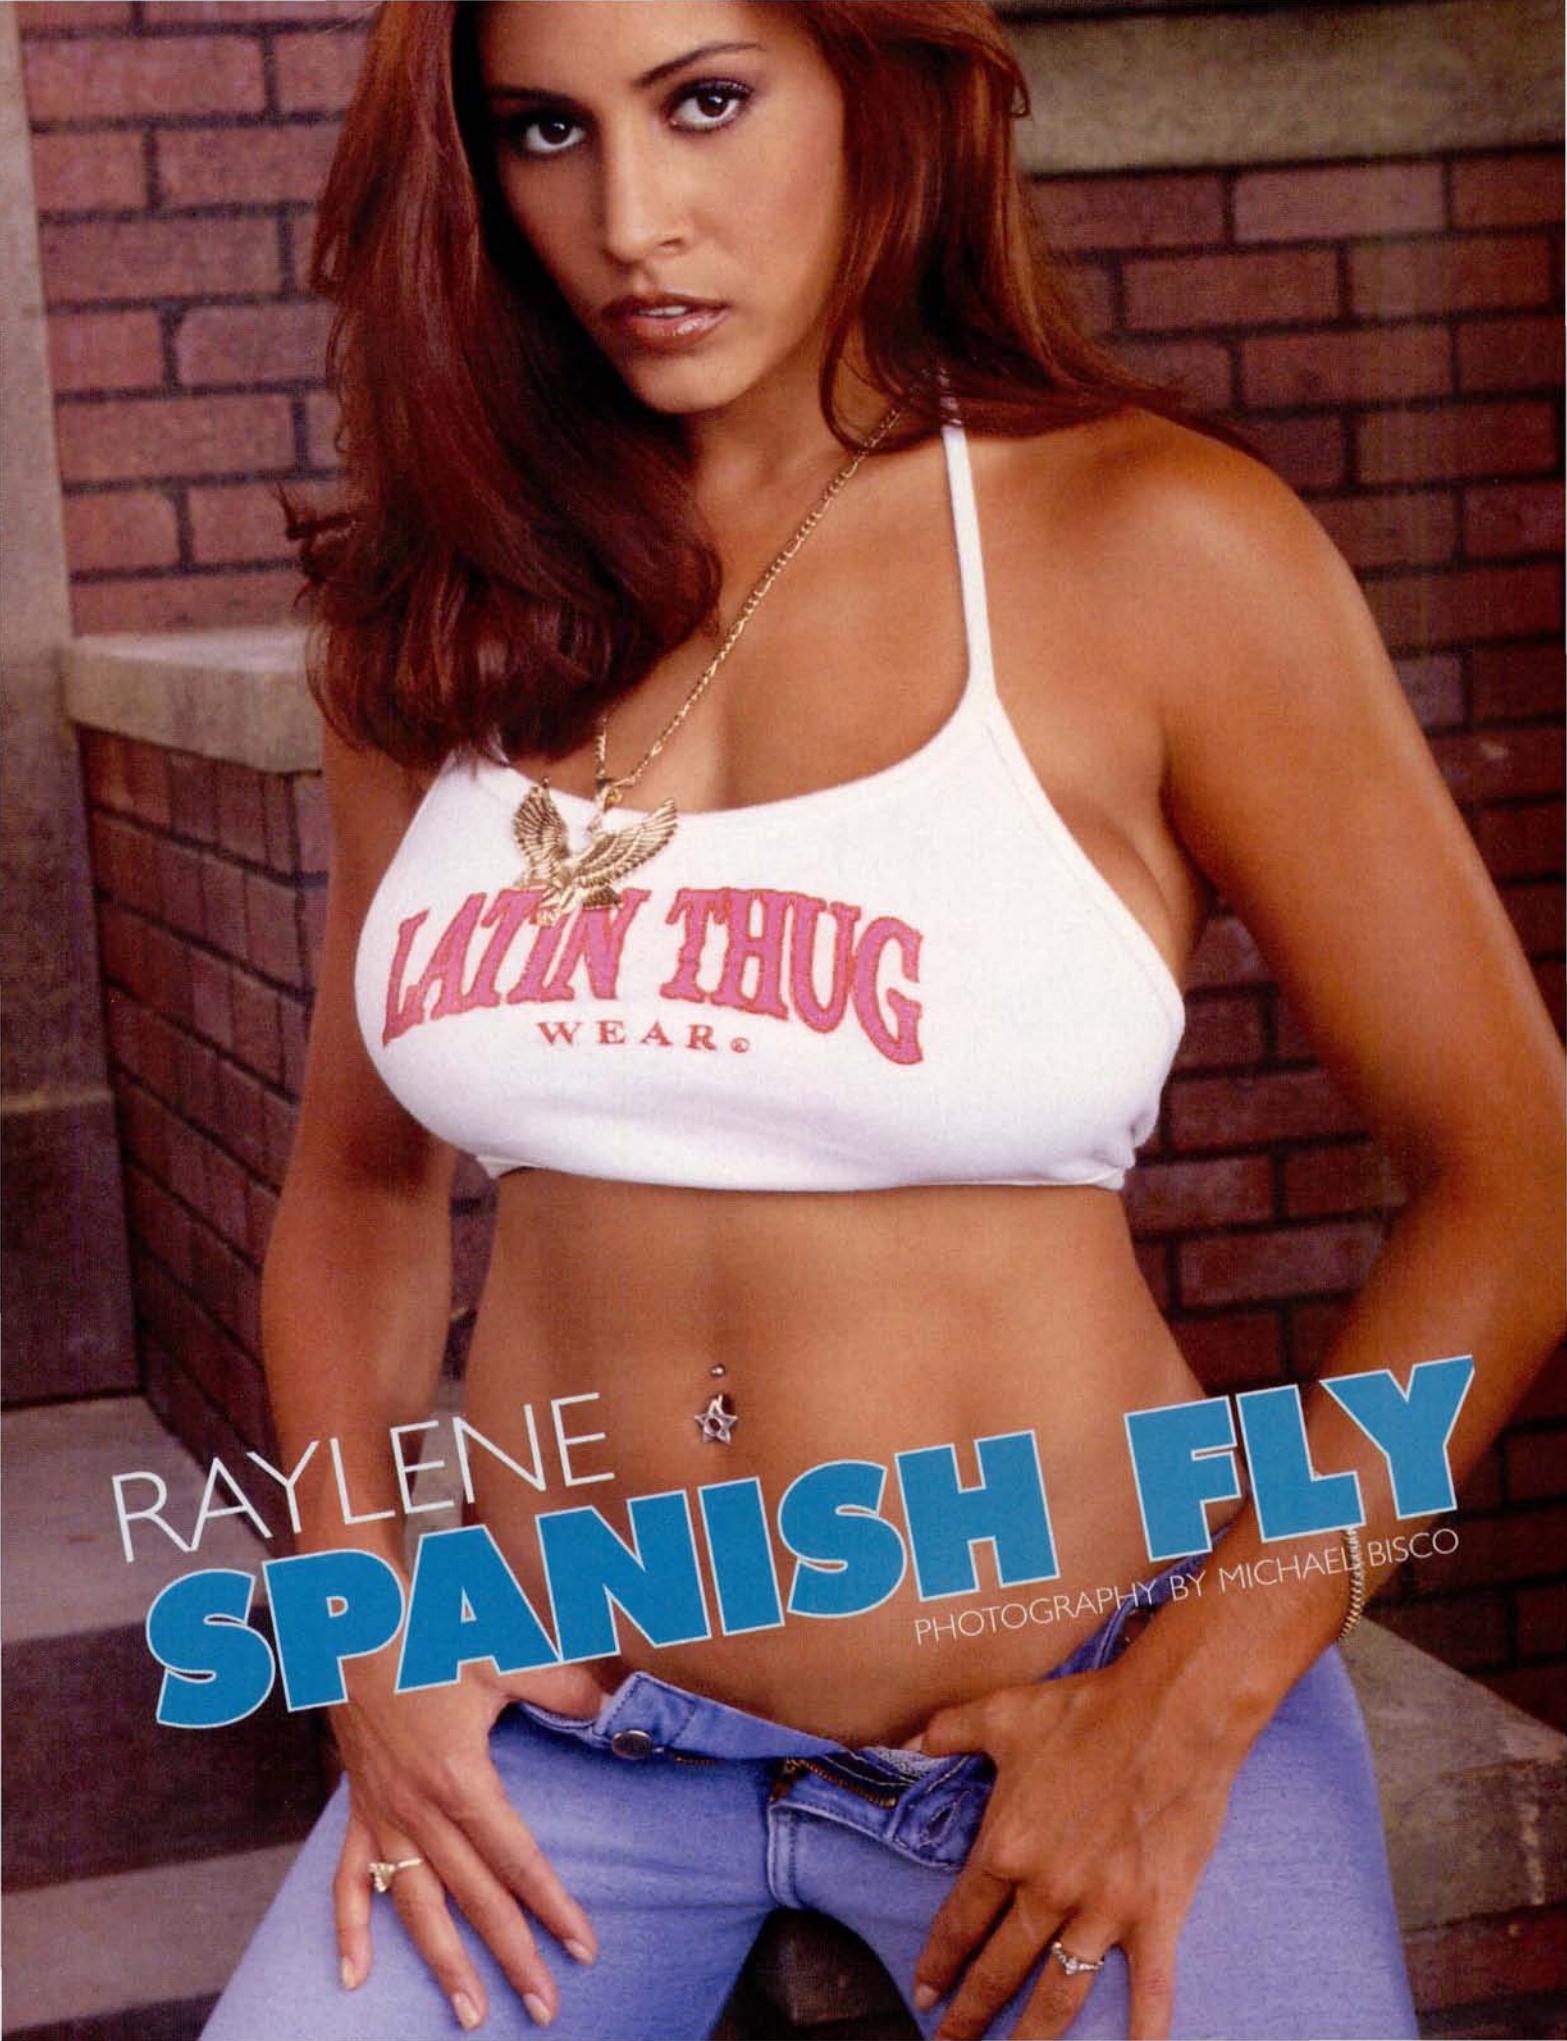
*Firefigher F.D. 18* gives America's rescue-worker heroes their due by making gamers run a mile in their heat-resistant boots. As fireman Dean McGregor, players must uncover the culprit behind a rash of mysterious blazes. Before any detective work can be done, realistic backdrafts, flashovers and chemical explosions must be dealt with.

## Cy Girls
**Konami (PlayStation 2)**

Ice and Aska are video-game vixens with the requisite killer bods and equally lethal combat skills. As Cy Girls, the alluring duo are able to dive into cyberspace, where they can bend the rules of physics à la *The Matrix*. Ice (the stunning blonde) has a penchant for ventilating opponents with firepower, while Aska (the Asian hottie) prefers slicing them into sushi. Don't sweat over which babe to pick, because each has her own unique storyline; feel free to do them both.

## Winning Eleven 7
**Konami (PlayStation 2)**

While Americans worship baseball, basketball and football, the rest of the globe goes absolutely apeshit over soccer. In this latest edition of gaming's premier soccer series, ball-kickers pick from 100 different teams and pair them up in 21 different stadiums. To make things interesting (and more realistic), in-game refs actually make the occasional biased call. Riot, anyone?



# RAYLENE
# SPANISH FLY

PHOTOGRAPHY BY MICHAEL BISCO

Raylene was born in West Covina, California, and got into porn because "I wanted to make a lot of money, and that was the way to go." After five years in XXX, including a lofty stint as one of the celebrated Vivid Girls, the 26-year-old is quitting the adult biz to pursue a new career as a real-estate agent.

She confides that passing the real-estate exam was a challenge. "The test is very, very hard. I failed twice. The third time I passed." The former stripper sums up her philosophy on the real-estate biz thusly: "It's just the same as (exotic) dancing. You have to work the customers to get their money. But you have to be a nice person."

For this photo-shoot, her last one ever, the Aquarius's brother was on the set working as an assistant to photographer Michael Bisco. "Every time I saw him, he was holding a newspaper in front of his eyes," she laughs. Hey, we like *Ziggy* too, but that's just crazy.

# NEXT MONTH

## 30th ANNIVERSARY EXTRAVAGANZA

There's a party in our pants and you're invited, as HUSTLER celebrates 30 years of truth, freedom and pink with a '70s-style anniversary spectacular. Revisit the legendary early days of America's Magazine as former HUSTLER publisher Paul Krassner shares mind-boggling, hilarious Larry Flynt stories you've never heard. Plus, a bonus collector's reprint of the very first HUSTLER Club newsletter that started it all.

## THOSE '70s HO'S: WHERE ARE THEY NOW?

The legendary porn stars from the golden age of XXX will be forever fuckable on film, but how about in the flesh? What happened to those celebrated sluts of yesteryear? Peer into the personal lives and current antics of Seka, Marilyn Chambers, Juliet "Aunt Peg" Anderson, Vanessa Del Rio, Annie Sprinkle and more in an investigative report by Tom Farrell.

## FAR-OUT LAYOUTS

From the beginning, HUSTLER earned its bold and controversial reputation with innovative nude layouts that elevated smut to fantastic new levels. Hardcore, high-concept spreads from the symbolic *Rape of Justice* to a woman-as-meat wet dream to an electrocuted cooze both enraged and aroused a generation. Research Director Sean Carney takes us on a head trip down memory lane.

## THE MAKING OF *BEHIND THE GREEN DOOR*

Foxy blue-screen goddess Marilyn Chambers changed the face of adult entertainment overnight with her stellar debut in the classic Mitchell Brothers stroke flick *Behind the Green Door*. Plowing into her tight, young twat was a well-hung African stud named Johnnie Keyes in a groundbreaking interracial screw. Discover the real story behind this defining moment in XXX history in Keyes's no-holes-barred memoir.

## MAD COWBOY: BATTLE OF THE BEEF

How safe is your meat? Recent outbreaks of mad cow disease in U.S. herds may only be the tip of the iceberg. Montana rancher Howard Lyman was sued along with Oprah Winfrey in 1996 by Texas cattlemen for exposing the practice of feeding ground-up cow remains to the herd. Since then, Lyman has published *Mad Cowboy*, an indictment of beef industry practices that place the public at grave risk. Hear the truth from Lyman in a shocking HUSTLER interview. Plus, consumer advocate Robert Cohen spills disturbing facts on the health hazards of cow milk.

## SATURDAY NIGHT BEAVER

*Bits & Pieces* pays homage to classic HUSTLER gags. Get in touch with porn superstar Jenna Jameson in the latest edition of *Jenna Tales*. *Beaver Hunt* presents seasoned flashers, and *Real College Girls* point to the future of amateur gash. Plus, *Erotic Entertainment* takes a hard look at pimped-out porn classics.
